Crash Course in Readers' Advisory Cynthia Orr, 2014-12-05 One of the key services librarians provide is helping readers find books they'll enjoy. This crash course will furnish you with the basic practical information you need to excel at readers advisory RA for adults and teens. The question can you recommend a good book can be one of the most daunting you face notwithstanding the fact that recommender tools are ubiquitous. Often uncertainty arises because although librarians are called on to perform such services daily readers advisory is a skill set in which most have no formal training. This guide will remedy that. It is built around understanding books, reading and readers and will quickly show you how to identify reading preferences and advise patrons effectively. You'll learn about multiple RA approaches such as genre appeal, features and reading interests and about essential tools that can help with RA. Plus you'll discover tips to help you keep up with this ever-changing field. There is no other professional book that covers the full spectrum of skills needed to perform the RA service that is in such great demand in libraries of all kinds. Helping readers find what they want is a sure way to serve patrons and build your library's brand. You will come away from this easy-to-understand crash course with the solid background you need to do both.

Teaching Reading Comprehension to English Learners in Secondary Schools: A Research-Based Approach Cekiso, Madoda, Olifant, Florence, Mokhtari, Kouider, 2025-04-23 Teaching reading comprehension to English learners (ELs) in secondary schools presents unique challenges as these students must navigate the complexities of academic texts and the intricacies of language acquisition. Effective instruction requires a research-based approach that considers the diverse linguistic, cultural, and cognitive backgrounds of these learners. Recent studies highlight the importance of integrating strategies that build both language proficiency and content knowledge, essential for helping ELs develop the skills needed to comprehend complex materials. Fostering metacognitive awareness through strategies like summarizing, questioning, and making connections can empower students to become active and strategic readers. This approach recognizes the need for a supportive, inclusive classroom environment that encourages language development while promoting academic achievement in content areas. Further research may help educators provide English learners with the tools to thrive as capable readers in secondary school. *Teaching Reading Comprehension to English Learners in Secondary School: A Research-Based Approach* explores various aspects of teaching reading comprehension to English Second Language (ESL) learners in secondary schools. It examines current challenges and evidence-based strategies in reading comprehension. This book covers topics such as language learning, reading strategies, and teacher training and is a useful resource for academicians, researchers, and scientists.

Studies in the Victorian and Neo-Victorian Novel Adrian Radu, 2024-02-29

Readers of the nineteenth century novel expected literature to be a form journalism and fictional history They wanted to read about easily identifiable situations with a chronological straightforward and easily discernible development of plot familiar backgrounds and credible characters

About a hundred years later the Victorian novel became the great tradition omnipresent and reliable

However today the age and the context are different and novels need more substance including such themes as memory race and empire sex and science spectrality and the heritage industry or key issues like gender sexuality and postmodernism All these elements are considered Neo Victorian which in spite of their novelty do point to a certain Victorian anchor This volume contains ten studies the substance of which is the analysis of novels that according to their date of publication are products of the Victorian and Neo Victorian periods as defined above The authors investigate and discuss Victorian roots and characteristics preserved or recycled Victorian themes Neo Victorian characters and motifs or any other characteristics that may label them as Victorian or Neo Victorian products

From Text to Epitext Shelbie Witte, Melissa Gross, Don Latham, 2021-03-02 This volume explains how analyzing textual elements that aren't part of the text but connected to it can be used with K-16 students to improve comprehension, engagement, critical thinking, and media literacy. Beginning with an introduction that briefly explains Genette's theory of paratext and discusses the functions of epitext, this book comprises theory-to-practice chapters that showcase ways in which teachers and librarians can use elements independent of a text to discuss texts and media with students. Chapters include a practitioner's section specifying practical approaches and explanations for how to use epitext. Scaffolding an application of theory to practice, this title provides educators with an original approach to increasing literacy engagement and integration as well as for increasing media literacy and critical thinking. It includes practical ideas for using epitext in the classroom to promote critical thinking and for collaboration between teachers and librarians. It also includes editorial sidebars that provide additional how-to ideas, support deep thinking, make connections to relevant content in other chapters, and provide examples for students in K-16 classrooms.
