Always a Bridesmaid (For Hire) Jen Glantz, 2017-02-07 In the tradition of Sloane Crosley Mindy Kaling and Katie Heaney a hilarious and insightful memoir about one New York City millennial's journey to find herself her dream career and true love all while juggling a truly unique job as the world's only professional bridesmaid After moving to New York City in her mid twenties to pursue her dream of writing and not living on the Upper East Side of her parents house anymore Jen Glantz looked forward to a future of happy hours and Sunday brunches with her besties What she got instead were a string of phone calls that began with Jen I have something exciting to tell you and ended with I'd be honored if you would be my bridesmaid At first she was delighted but it wasn't long before she realized two things all of her assets were tied up in bridesmaid dresses and she herself was no closer to finding The One She couldn't do much about the second thing though her mother would beg to differ but she could about the first One slightly tipsy night Jen posted an ad on Craigslist advertising her services as a professional bridesmaid When she woke up the next morning it had gone viral What began as a half joke suddenly turned into a lifetime of adventure for Jen and more insight into the meaning of love than she was getting from OKCupid as she walked down the aisle at stranger after stranger's wedding Fresh funny and surprisingly sweet Always a Bridesmaid For Hire is an entertaining reminder that even if you don't have everything together you can still be a total boss or at the very least a BFF to another girl in need

A False Report T. Christian Miller, Ken Armstrong, 2018-02-06 Now the Netflix Limited Series Unbelievable starring Toni Collette Merritt Wever and Kaitlyn Dever Two Pulitzer Prize winning journalists tell the riveting true crime story of a teenager charged with lying about having been raped and the detectives who followed a winding path to arrive at the truth Gripping with a John Grisham worthy twist Emily Bazelon New York Times Book Review Editors Choice On August 11 2008 eighteen year old Marie reported that a masked man broke into her apartment near Seattle Washington and raped her Within days police and even those closest to Marie became suspicious of her story The police swiftly pivoted and began investigating Marie Confronted with inconsistencies in her story and the doubts of others Marie broke down and said her story was a lie a bid for attention Police charged Marie with false reporting and she was branded a liar More than two years later Colorado detective Stacy Galbraith was assigned to investigate a case of sexual assault Describing the crime to her husband that night Galbraith learned that the case bore an eerie resemblance to a rape that had taken place months earlier in a nearby town She joined forces with the detective on that case Edna Hendershot and the two soon discovered they were dealing with a serial rapist a man who photographed his victims threatening to release the images online and whose calculated steps to erase all physical evidence suggested he might be a soldier or a cop Through meticulous police work the detectives would eventually connect the rapist to other attacks in Colorado and beyond Based on investigative files and extensive interviews with the principals *A False Report* is a serpentine tale of doubt lies and a hunt for justice unveiling the disturbing truth of how sexual assault is investigated today and the long history of skepticism toward rape victims

Winners Take All Anand Giridharadas, 2018-08-28 NEW YORK TIMES BESTSELLER The groundbreaking investigation of how the global elite's efforts to change the world preserve the status quo and obscure their role in causing the problems they later seek to solve An essential read for understanding some of the egregious abuses of power that dominate today's news Impassioned Entertaining reading The Washington Post Anand Giridharadas takes us into the inner sanctums of a new gilded age where the rich and powerful fight for equality and justice any way they can except ways that

threaten the social order and their position atop it They rebrand themselves as saviors of the poor they lavishly reward thought leaders who redefine change in ways that preserve the status quo and they constantly seek to do more good but never less harm Giridharadas asks hard questions Why for example should our gravest problems be solved by the unelected upper crust instead of the public institutions it erodes by lobbying and dodging taxes His groundbreaking investigation has already forced a great sorely needed reckoning among the world's wealthiest and those they hover above and it points toward an answer Rather than rely on scraps from the winners we must take on the grueling democratic work of building more robust egalitarian institutions and truly changing the world a call to action for elites and everyday citizens alike
