**Mechanix Illustrated**, 1979 *Quest*, 1979 Inevitable Uncertainty Isaac Hill Sr., 2015-03-06 Is the worst yet to come or will there be a darkness that precedes the dawn as everyone awaits the last days And can it be possible that the last days are the new beginning of what is truly marvelous and worth every struggle both real and imaginary This matter of inevitable uncertainty is a lifelong challenge that will not yield to the intentions of the best plans One must endure its magnitude with boldness and faith that is nurtured in the mind and deposited into the heart where every beat pounds it into submission to indomitable will lest despair direct one to an insignificant fate I believe One must proclaim and then prophesy

to the horizon whether it forebodes malady or casts a sweet allurements I will One must proclaim in spite of dissenters who prove to be great fair weather company along for the ride And one must pray that one will survive through the foolish measures of their own unbridled bravery while the course through the unknown looms as an undefeatable giant No time is wasted for every step forward is progress and every resting place is a recharge every fall is a chance to rise again Surely the demons will howl when the moon rises and the day vultures will soar in the midst of the trial which hardens your resolve and you shall laugh when your victory shuts their mouths And those who laugh last laughs best **U.S. News & World Report** ,1980 **The Scottish Law Reporter** ,1886 The Kindergarten for Teachers and Parents ,1889 **Ave Maria** ,1880
