Climate Change is an Opportunity David Blockley, 2024-02-05 We have an imperative as never before to change our ways Climate change is presenting the entire human race with its greatest ever existential challenge Like many I feel a growing sense of looming disaster Yes we are making some progress but past agreements are not delivering In this book I put a case for a new form of principled capitalism based on moral principles rather than utility and profit I propose ten pillars that include systems thinking as citizens of the world and embracing Modern Monetary theory to guide decisions about macroeconomics and national debt

The Crisis of Democratic Capitalism Martin Wolf, 2023-02-02 From the author of The Shifts and the Shocks and one of the most influential writers on economics a reckoning with how and why the relationship between democracy and capitalism is coming undone We are living in an age when economic failings have shaken faith in global capitalism Political failings have undermined trust in liberal democracy and in the very notion of truth The ties that ought to bind open markets to free and fair elections are being strained and rejected even in democracy s notional heartlands Around the world democratic capitalism which depends on the determined separation of power from wealth is in crisis Some now argue that capitalism is better without democracy others that democracy is better without capitalism This book is a forceful rejoinder to both views It analyses how the marriage between capitalism and democracy has become so fraught and yet insists that a divorce would be an almost unimaginable calamity Martin Wolf one of the wisest public voices on global affairs argues that for all its recent failings slowing growth increasing inequality widespread popular disillusion democratic capitalism though inherently fragile remains the best system we know
