Dagnino, Feng Zhu, 2023-05-09 This state of the art Research Handbook presents a comprehensive overview of the key strategic challenges that firms face when dealing with digital markets platforms and products and services from old strategy questions in need of different solutions to entirely novel issues posed by the new competitive digital context This title contains one or more Open Access chapters

The Female Teacher on Television Andrew L. Grunzke, Rebecca Z. Grunzke, 2025-06-12 This edited volume examines the ways in which the representation of female teachers on television has developed from the advent of the medium up to the present day Despite the widely feminized nature of the teaching profession the first depictions of female teachers on television did not occur until over a century later Contributors analyze a variety of programs spanning time periods audiences and genre to provide insight into the past present and future trajectory of increasingly multidimensional portrayals of female teachers Scholars of television media gender women s and cultural studies will find this book of particular interest

The Global Impact of South Korean Popular Culture Valentina Marinescu, 2014-09-24 This volume fills a gap in the existing literature and proposes an interdisciplinary and multicultural comparative approach to the impact of Hallyu worldwide The contributors analyze the spread of South Korean popular products from different perspectives popular culture sociology anthropology linguistics and from different geographical

locations Asia Europe North America and South America The contributors come from a variety of countries UK Japan Argentina Poland Bulgaria Czech Republic Indonesia USA Romania The volume is divided into three sections and twelve chapters that each bring a new perspective on the main topic This emphasizes the impact of Hallyu and draws real and imaginary maps of the export of South Korean cultural products Starting from the theoretical backgrounds offered by the existing literature each chapter presents the impact of Hallyu in a particular country This applied character does not exclude transnational comparisons or critical interrogations about the future development of the phenomenon All authors are speaking about their own native cultures This inside perspective adds an important value to the understanding of the impact of a different culture on the national culture of each respective country The contributions to this volume illustrate the globalization of the cultural products of Hallyu and show the various faces of Hallyu around the world

Superior Customer Value Art Weinstein, D. Hank Ellison, 2012-02-24 A customer centric culture provides focus and direction for the organization ensuring that exceptional value will be offered to customers this in turn results in enhanced market performance Unfortunately caught up in the daily economic and competitive pressures of running complex and fast changing businesses managers may lose sight of custo
