The United States Football League, 1982-1986 Paul Reeths, 2017-03-21 One of the most ambitious and short lived endeavors in professional sports history the United States Football League was founded in 1982 Premiering with a spring schedule and an abundance of talent that included top rookies and National Football League veterans the USFL gained national attention with broadcast and cable television contracts controversial player signings ownership battles and an unsuccessful billion dollar lawsuit against the NFL The USFL folded after four years yet represented the last major challenge to America s big four sports leagues the NFL the National Basketball Association the National Hockey League and Major League Baseball Based upon extensive research and interviews with owners coaches players and administrators this book chronicles the league s formation its three seasons of play and its long term effects on pro sports **America's Game** Michael MacCambridge, 2008-11-26 It s difficult to imagine today when the Super Bowl has virtually become a national holiday and the National Football League is the country s dominant sports entity but pro football was once a ramshackle afterthought on the margins of the American sports landscape In the span of a single generation in postwar America the game charted an extraordinary rise in popularity becoming a smartly managed keenly marketed sports entertainment colossus whose action is ideally suited to television and whose sensibilities perfectly fit the modern age America s Game traces pro football s grand transformation from the World War II years when the NFL was fighting for its very existence to the turbulent 1980s and 1990s when labor disputes and off field scandals shook the game to its core and up to the sport s present day preeminence A thoroughly entertaining account of the entire universe of professional football from locker room to boardroom from playing field to press box this is an essential book for any fan of America s favorite sport *USA Today Index* ,1994 [The Last Stand of Mr America](#) Jason Flores-Williams, 2009-03-23 *America's Quarterback* Keith Dunnavant, 2025-08-22 The definitive authorized biography of Bart Starr quarterback for the University of Alabama and for the Green Bay Packers during the 1960s A must read for fans of the Crimson Tide the Packers and football greats No one can touch Bart Starr s record setting 5 NFL Championships including 3 straight America s Quarterback tells the story of the man who helped create the legend of Vince Lombardi and the Green Bay Packers Set against the changing landscape of the last half of the 20th century this biography traces Starr s life from childhood in Alabama to stardom in Green Bay and beyond Not a simple sports story Keith Dunnavant traces the story of one man reaching for the American dream while professional football emerged from the shadows to capture the nation s imagination It s a story of the tension between a coach and a player as different as fire and ice and how they came to trust and revere each other It s a story of triumph tempered by tragedy and the world class athlete who quietly persistently achieved a level of greatness unsurpassed by any quarterback since A remarkable blend of personal memory and historical narrative America s Quarterback is a tribute to an American hero and the perfect companion to the classic *When Pride Still Mattered* **F & S Index United States Annual** ,2006
