the NFL for stints with the almost undefeated New England Patriots and the often defeated Kansas City Chiefs Bubbling under the surface of Ryan's entire NFL career was a collision course between his secret sexuality and his hidden drug use When the league caught him smoking pot he turned to NFL sanctioned prescription painkillers that quickly sent his life into a tailspin As injuries mounted and his daily intake of opioids reached a near lethal level he wrote his suicide note to his parents and plotted his death Yet someone had been watching A member of the Chiefs organization stepped in recognizing the signs of drug addiction Ryan reluctantly sought psychological help and it was there that he revealed his lifelong secret for the very first time Nearing the twilight of his career Ryan faced the ultimate decision end it all or find out if his family and football friends could ever accept a gay man in their lives
