transformation from the World War II years when the NFL was fighting for its very existence to the turbulent 1980s and 1990s when labor disputes and off field scandals shook the game to its core and up to the sport's present day preeminence A thoroughly entertaining account of the entire universe of professional football from locker room to boardroom from playing field to press box this is an essential book for any fan of America's favorite sport **Game That Saved the NHL** Ed Gruver, 2023-11-07 In late 1975 and early 1976 at the height of the Cold War two of the Soviet Union's long dominant national hockey teams traveled to North America to play an eight game series against the best teams in the National Hockey League The culmination of the Super Series was reigning Soviet League champion HC CSKA Moscow's face off against the defending NHL champion Flyers in Philadelphia on January 11 1976 Known as the Red Army Club HC CSKA hadn't lost a game in the series Known as the Broad Street Bullies the Flyers were determined to bring the Red Army team's winning streak to an end with their trademark aggressive style of play Based largely on interviews Ed Gruver's book tells the story of this epic game and series as it lays out the stakes involved nothing less than the credibility of the NHL If the Red Army team had completed its series sweep by defeating the two time Stanley Cup champion Flyers the NHL would no longer have been able to claim primacy of place in professional level hockey The Stanley Cup the most famous trophy in sports would be devalued if the Flyers fell to the Soviets Gruver also describes how the game and series affected the styles of both Russian and NHL teams The Soviets adopted a more physical brand of hockey while the NHL increasingly focused on passing and speed **Information Plus** Cengage Gale, 2010-04-09 The Information Plus Reference Series provides statistical data on 32 of today's most controversial and most studied social issues Each Information Plus title is a compilation of current and historical statistics with analysis on aspects of one contemporary social issue such as abortion capital punishment and genetic engineering Each title is divided into chapters that are devoted to a particular topic The text provides a clear and comprehensive summary of up to date research on the topic and is interspersed with the statistical tables charts and graphs Each table is directly referred to and carefully explained in the text Hockey Doc Dr David S Mulder, Dr Douglas G Kinnear, 2021-03-09 The Western Division of the Montreal General Hospital was so close to the Forum that Montreal Canadiens players could put on skate guards and walk to the hospital's emergency room This was not a coincidence and established proximity as a priority Dr Douglas Kinnear supported twelve Stanley Cup winning Montreal Canadiens squads as team physician Dr David Mulder has been on the medical staff for over fifty years and for eight Stanley Cups In Hockey Doc these two legendary team physicians explore the dynamic doctor player relationship they came to know so well with a look at more than fifty years of medical care provided to the hockey club Hockey Doc examines how the medical program for the Montreal Canadiens has evolved over its history due to its long standing relationship with the MGH and the Molson family The doctors breakdown major injuries with real life examples that every team physician needs to be aware of and share career highlights Featuring stories about Saku Koivu Trent McCleary Patrick Roy Maurice Richard Gump Worsley Bobby Orr

Randall Balmer,2022-08-30 Randall Balmer was a late convert to sports talk radio but he quickly became addicted just like millions of other devoted American sports fans As a historian of religion the more he listened Balmer couldn t help but wonder how the fervor he heard related to religious practice Houses of worship once railed against Sabbath busting sports events but today most willingly accommodate Super Bowl Sunday On the other hand basketball s inventor James Naismith was an ardent follower of Muscular Christianity and believed the game would help develop religious character But today those religious roots are largely forgotten Here one of our most insightful writers on American religion trains his focus on that other great passion team sports to reveal their surprising connections From baseball to basketball and football to ice hockey Balmer explores the origins and histories of big time sports from the late nineteenth century to the present with entertaining anecdotes and fresh insights into their ties to religious life Referring to Notre Dame football the Catholic Sun called its fandom a kind of sacramental Legions of sports fans reading Passion Plays will recognize exactly what that means
