that antitrust may contribute albeit in a limited way to greater trust in both society and democracy antitrust for trust the ultimate apparent antitrust paradox *Computers for Seniors* Chris Ewin, Carrie Ewin, Cheryl Ewin, 2017-10-17 My Kids Just Gave Me a Computer What Do I Do Now Computers for Seniors is a step by step full color guide that will take you all the way from pressing the On button on your new computer to being a confident user who can send email to family and friends shop online safely read the latest news watch funny YouTube videos share cute pictures of your grandkids check the weather forecast and much more You ll learn to Plug in set up and turn on your computer Print and share photos of your grandkids vacations pets friends and special life events Install helpful tools like a calendar money manager and weather tracker Search the internet for news recipes gardening tips sports updates and anything else that interests you Watch entertaining YouTube videos or educational lectures and make video calls to anywhere in the world Find and listen to new music or your favorite classics and read electronic books Email your friends and family Stay safe online and keep your private information secure Computers for Seniors will show you how to get what you really want from your PC with the help of full color illustrations friendly instructions and a touch of humor Each lesson has small exercises to test your skills and help you practice to make sure you feel comfortable with what you ve learned before you move on It s never too late to have fun and get more out of your PC Computers for Seniors will ease you into the computer generation by guiding you every step of the way **Science Under Siege** Michael E. Mann, Peter J. Hotez, 2025-09-09 In this well researched guide two of the world s most respected scientists reveal the forces behind the dangerous anti science movement and offer powerful ideas about how to fight back Bill McKibben author of *Here Comes the Sun* Science is indeed under siege and that s not good for any of us Here Peter Hotez and Michael Mann name names It s not too late to do something it s time to get things done Read on Bill Nye science educator From pandemics to the climate crisis humanity faces tougher challenges than ever Whether it s the health of our people or the health of our planet we know we are on an unsustainable path But our efforts to effectively tackle these existential crises are now hampered by a common threat politically and ideologically motivated opposition to science Michael E Mann and Peter J Hotez are two of the most respected and well known scientists in the world and have spent the last twenty years on the front lines of the battle to convey accurate reliable and trustworthy information about science in the face of determined and nihilistic opposition In this powerful manifesto they reveal the five main forces threatening science plutocrats pros petrostates phonies and the press It is a call to arms and a road map for dismantling the forces of anti science Armed with the information in this book we can be empowered to promote scientific truths shine light on channels of dark money dismantle the corporations poisoning the planet and ultimately avert disaster Starbucks Marie A. Bussing, 2021-11-05 Since its humble beginnings at Seattle s Pike Place Market in 1971 Starbucks has grown to become an industry leader and household name This book takes an in depth look at the evolution of this dynamic and sometimes controversial corporation Americans drink 400 million cups of coffee every day and many of them come from the thousands

of Starbucks coffeehouses across the country But how much do you really know about the place you get your morning cup of Joe Part of the Corporations That Changed the World series this book provides readers with a richly detailed history of this famous coffeehouse chain It traces Starbucks meteoric rise from a small Seattle based company to an international powerhouse chronicling how the changing executive leadership affected corporate strategy and direction It also explores how Starbucks has embraced and incorporated new technologies and innovations as well as how the corporation has shaped and been shaped by important social causes An unbiased look at the controversies that have surrounded Starbucks over the years will help readers better understand these contentious issues This updated and expanded edition includes new chapters financial data and coverage of the COVID 19 pandemic s impact on the company **Women in the Studio** Paula

Wolfe,2019-06-25 The field of popular music production is overwhelmingly male dominated Here Paula Wolfe discusses gendered notions of creativity and examines the significant under representation of women in studio production Wolfe brings an invaluable perspective as both a working artist producer and as a scholar thereby offering a new body of research based on interviews and first hand observation Wolfe demonstrates that patriarchal frameworks continue to form the backbone of the music industry establishment but that women s work in the creation and control of sound presents a potent challenge to gender stereotyping marginalisation and containment of women s achievements that is still in evidence in music marketing practices and media representation in the digital era **The Data Imperative** Henri Schildt,2020 Companies across all

industries are engaging in digital transformation Henri Schildt provides an in depth look at how data and algorithms are reshaping management practices organizational structures corporate culture and work roles and presents the data imperative as a framework for understanding digitalization as a new normative mind set **Making Value** Timothy D.

Taylor,2024-03-18 Timothy D Taylor theorizes music s economic and noneconomic forms of value to examine how people s conceptions of value inform and shape their production and consumption of music **Facebook** Taina Bucher,2021-04-27

Facebook has fundamentally changed how the world connects No other company has played a greater role in the history of social networking online Yet Facebook is no longer simply a social networking site or social media platform Facebook is Facebook Taina Bucher shows how Facebook has become an idea of its own something that cannot be fully described using broader categories Facebook has become so commonplace that most people have a conception of what it is yet it increasingly defies categorization If we want to understand Facebook s power in contemporary society and culture Bucher argues we need to start by challenging our widespread conception of what Facebook is Tracing the development and evolution of Facebook as a social networking site platform infrastructure and advertising company she invites readers to consider Facebook anew Contrary to the belief that nobody uses Facebook anymore Facebook has never been more powerful This timely book is important reading for students and scholars of media and communication as well as anyone seeking to understand the Facebook phenomenon **Music Marketing for the DIY Musician** Bobby Borg,2024-05-07 Unleash your

Podcasting Jeremy Wade Morris, 2024-05-31 Podcasting burst onto the media landscape in the early 2000s At the time there were hopes it might usher in a new wave of amateur and professional cultural production and represent an alternate model for how to produce share circulate and experience new voices and perspectives Twenty years later podcasting is at a critical juncture in its relatively young history a moment where the early ideals of open standards and platform neutral distribution are giving way to services that prioritize lean back listening and monetizable media experiences This book provides an accessible and comprehensive account of one of digital media s most vibrant formats Focusing on the historical changes shaping podcasts as a media format the book explores the industrial technological and cultural components of podcasting alongside case studies of various podcasts industry publications and streaming audio platforms e g Spotify Google and Apple Podcasts Jeremy Wade Morris argues that as streaming platforms push to make podcasting more industrialized accessible user friendly and similar to other audio media like music or audiobooks they threaten podcasting s early though always unrealized promises This is the go to introduction for students and researchers of media communication and cultural studies as well as readers who enjoy making and listening to podcasts *Going Public* Dakin Campbell, 2022-07-26 A behind the scenes tour of the high stakes world of IPOs and how a visionary band of startup executives venture capitalists and maverick bankers has launched a crusade to upend the traditional IPO as we know it GOING PUBLIC is a character driven narrative centered on the last five years of unparalleled change in how technology startups sell shares to the public Initial public offerings or IPOs are typically the first time retail investors can own a piece of the New Economy companies promising to rewire economic rules Selling IPOs is also one of the most profitable businesses for Wall Street investment banks who have spent the last 40 years protecting their profits In an era when algorithms and software have made the financial markets more efficient the pricing of IPOs still relies on human judgment In 2018 executives at music streaming service Spotify

sought to upend the status quo Led by a trim and understated CFO Barry McCarthy and a shy but brilliant founder Daniel Ek they took a wild idea and forged something new GOING PUBLIC explores how they got comfortable with the risk and how they lobbied securities watchdogs and exchange staff to rewrite the regulations Readers will meet executives at disruptive companies like Airbnb DoorDash venture capitalists and even some bankers who seized on Spotify s labor and used it to knock Wall Street bankers off the piles of fees they d been stacking for so long GOING PUBLIC weaves in earlier attempts to rethink the IPO process introducing readers to one of Silicon Valley s earliest bankers Bill Hambrecht whose invention for selling shares online was embraced by Google founders Larry Page and Sergey Brin when they auctioned their shares in 2004 And it examines the recent boom in blank check companies those Wall Street insider deals that have suddenly become the hottest way to enter the public markets GOING PUBLIC tells stories from inside the room and more **Musik &**

Empowerment Michael Ahlers,Lorenz Grünewald-Schukalla,Anita Jóri,Holger Schwetter,2020-06-15 Der Band behandelt die Verbindung von Musik Wirtschaft und Empowerment verstanden als die Möglichkeit des Sichtbarwerdens marginalisierter oder relativ machtloser subalternen Gruppen und allgemein die Frage von Macht und Ausschluss in Musikkulturen und am Musikmarkt Dies betrifft unter anderem aber nicht ausschließlich die momentan stark diskutierten Themenfelder Gender und Diversität Wie sehen diese Verbindungen aktuell und historisch aus Kann auch heute noch davon ausgegangen werden dass allein die Teilnahme an Gruppenprozessen bereits einen wesentlichen Motor für das Entstehen eines Ermächtigungsgefühls darstellt Oder geht es aus individueller Perspektive stärker darum Einzelnen mehr Kontrolle über ihr Leben zu ermöglichen Beide Aspekte werden durch Beiträge in diesem Buch in Form von Studien aber auch in individuellen Standpunkten und Innenansichten zur Musikwirtschaft und Musikkultur beleuchtet **John McLaughlin** Matt Phillips,2023-09-15 In the
