Fight Sloane St. James, 2025-11-01 A wildland firefighter stumbles into a romance with a secretive EMT in the smoking hot first book of the BookTok viral Sky Ridge Hotshots series I want us to be more than fun Prescott I wanna make you mine Fighting wildfires is the only thing I've ever wanted to do and I'm damn good at it Being the captain of an interagency hotshot crew of wildland firefighters is high risk high reward But the risk blindsided me five years ago when I lost one of my

crew and it changed me forever Now I work harder smarter and the only rewards I allow myself to enjoy easy sexy nights with strangers Until I meet Prescott Timmons Her smart mouth and adventurous spirit have me forgetting all my rules until her past shows up and lies start to feel too familiar I swear to never spare her a second glance but when she finds herself in a life or death situation with mother nature my instincts kick in and I take action Stranded and sharing a bed again we re forced to face our truth Do we fight to keep the fire between us or let it burn out Tropes Firefighter romance Angst Small town romance Forced proximity Enemies to lovers There s only one bed Workplace romance Miscommunication Snowed in New girl in town

Mujeres entre oriente y occidente: una aproximación crítica feminista a la literatura universal Leticia de la Paz De Dios, Ana María Crespo Gómez, 2024-12-26 El presente monográfico aspira a actuar como un puente entre literaturas diversas escritas por autoras cuyas experiencias podrán parecer a primera vista distantes o desconectadas entre sí. En puntos en común podrán hallarse entre Sylvia Plath y Bing Xin O entre Fatema Mernissi y Marjorie Agosín. La distancia geográfica entre sus lugares de origen o las diferencias lingüísticas que las separan son respuestas demasiado evidentes para negar la posibilidad de establecer ese puente entre Oriente y Occidente que se propone en esta obra. Invitamos pues a las lectoras a identificar respuestas más precisas y objetivas tras la lectura de los capítulos que se presentan a continuación.

The Routledge International Handbook of Valuation and Society Anne Krüger, Thorsten Peetz, Hilmar Schaefer, 2024-10-15 The Routledge International Handbook of Valuation and Society builds on the growing research interest in practices of valuation throughout contemporary society providing an up to date overview of the different facets of research in the sociology of valuation. The handbook is divided into five major sections with attention to the treatment of valuation in major areas of sociological theory as well as its key concepts, discourses and approaches. Part I Theoretical perspectives Part II Central valuation practices in societal spheres Part III Cross cutting valuation practices Part IV Valuation and societal change Part V Reflections. Together the chapters in this book characterize distinctive practices of valuation across different societal spheres such as education and science, arts and culture, economic life, the environment or digital culture and social media. They also examine the role of valuation in contemporary society and consider the ways it effects social change. This seminal handbook aims at taking stock of the development of the study of valuation with a selection of topics that are important for understanding core perspectives and developments as well as anticipating its future orientation. It will appeal to scholars across the social sciences with interest in the ubiquity of the valuation practices and its effects on social life.

The Global Author Economy Azhar ul Haque Sario, 2025-10-31 The publishing world has changed forever and this book is the map you need to navigate it. This book is your complete guide to the global author economy. It begins with the past. You will learn how self publishing is not new but the original form of publishing. We trace its history from ancient scribes to the modern digital age. Then the book provides a massive global market analysis. We dive deep into 15 different countries. This includes the Anglosphere titans the USA, UK, Canada and Australia. We explore European powerhouses like Germany, France

and Sweden We also unlock the BRICS frontier Brazil India and South Africa Finally we look at unique markets like Japan China Mexico the UAE and Nigeria For each country you get a practical breakdown This includes market trends top local companies and essential copyright laws The guide also covers the cutting edge of the industry You will learn how to use AI for marketing and research We explore the audiobook boom subscription models and direct to reader sales The book explains new business theories You will learn to be an authorpreneur You will understand how to build a global local strategy To finish we look to the future predicting the trends that will shape the industry from 2025 to 2035 What makes this book different from other publishing guides Most books are too limited They focus on just one platform like Amazon or one market like the US This book provides a truly global strategic perspective It gives you the Global Local Nexus model a unique framework for leveraging worldwide distribution platforms while applying targeted localized marketing to build a real connection with readers in different countries It isn't just a simple how to manual It is a comprehensive analysis that combines history practical market data emerging technology trends and powerful business models Other books may show you how to upload your file This book teaches you how to think like a global CEO of your own writing business It's the ultimate resource for building a resilient diversified and sustainable international writing career Disclaimer This book is an independent analysis The author is not affiliated with sponsored by or endorsed by any of the companies mentioned such as Amazon Apple IngramSpark PublishDrive or others All trademarks and company names are the property of their respective owners and are used for identification and analysis purposes under nominative fair use
