Compendium of Professional Basketball Robert Bradley, 1999 *Spaced Out* Mike Prada, 2022-11-01 A hands-on illuminating deconstruction of NBA basketball tracing the tactical evolution of the modern game. As the NBA celebrates and surpasses 75 years of existence, today's game looks nothing like it did in generations past when Bill Russell, Wilt Chamberlain, and Kareem Abdul Jabbar took turns ruling the league. But it's also entirely different from a decade even half a decade ago. Today's stars enter the league with more versatility and fluidity than ever before, and they need it to handle the strategies, philosophies, schemes, skill sets, movement patterns, and measures of basketball intelligence that simply didn't exist in the past. *Spaced Out* tells the story of what professional basketball looks like right now and how it got here. Taking a court-level view, Mike Prada breaks down high-level play to elucidate the athleticism, strategy, and skill demonstrated on a nightly basis while shining a light on the historical forces that have dramatically altered the shape of the game and the role of its superstars. Topics covered include the explosion of three-point shooting, the rise and fall and rise again of zone defense, the impact of tighter enforcement of perimeter contact rules, and other pivotal factors impacting the pro game. From X's and O's to keen historic analysis, this definitive volume will reveal the intricacies of a beautiful game for savvy fans, players, and coaches alike.

We Are America, We Are Americans Matt Teahan, 2022-05-11 *We Are America, We Are Americans* By Matt Teahan. A journey through life at least part of it and the lessons learned, and in a rare instance, taught. In this quasi-autobiography, I answer the confounding questions of our day through a riveting, for some people, journey of all topics relevant. Is the United States of America really a Christian Nation? Where has this Country's corporate

leadership gone Why would anyone waste an entire adolescence refining their basketball jump shot Why has the moral compass in Professional Sports disappeared into the abyss of political wokeness Why do we need to ban plastic straws and not water bottles particularly if Climate Change is going to kill us all in 9 years anyway How do we pay reparations for people of mixed race How can chicken sandwiches galvanize and legitimize the LGBT community What did I share with the Pope at the sacred site of Fatima What s it going to take to get millennials off Twitter out of Mom s basement and into Church Why is systemic ignorance a far greater threat to this country than anything else systemic I ll introduce a toxic blend of fact fiction criticism sarcasm reality inquiry and humor into the topics of the day And I ll blend my shallow yet relevant life experiences into the mix where it s almost impossible to tell the difference You may get bored You might not You may or may not like my viewpoints You might not even like me But you won t be the first nor the last I think however everyone will find something here they can relate to Whether it s basketball friends God politics a career or the social issues of the day there s something for everybody Even for those who rarely open a book like today s College students For them I ve included pictures See Something for everybody And although some of my viewpoints you may frown upon you will appreciate the humor anecdotes multiple geography lessons ridicule sarcasm and blatant hypocrisy that I ll expose on any number of topics All shrouded in the novel concept called common sense And if you don t like to read about those types of things then don t buy the book Get it at the library I started this book on July 4th 2020 And I did it for a reason
