Make Inferences and Generalizations

Read the passage, and then answer the questions below it. Mark the letter of your answer on a bubble sheet if your teacher provides one; otherwise, circle the letter of the correct answer.

Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sands of time;
Footprints, that perhaps another,
Sailing o'er life's solemn main,

A forlorn and shipwrecked brother,
Seeing, shall take heart again.
Let us, then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labor and to wait.

Diamond Course ***

Photo Reading Silviu Vasile, This book tells you a lot about speed reading and photography You are in the privileged position from which you can continue to increase your reading speed while maintaining the same rate of comprehension of the text The course is complex but you can choose exactly those techniques that suit you best All of these techniques can be reduced to two or three main techniques that you have seen work for you and those you can keep exploring and why not improving Speed reading can be condensed into a single sentence but that doesn t change the facts of the matter If I want to go to the gym because I want to have a worked body and the trainer shows me the exercises I need to do in a session that doesn t automatically mean I ll look good It s one thing to learn technique in a few minutes and another to exercise every day You need willpower discipline and determination to repeat the basic exercises daily Without constant effort you cannot achieve results If you go to the gym three times a week then you start to form a habit and this habit helps you to live in the culture of sport Being connected to the information in that sport and being able to generate so much enthusiasm that it counteracts your desire to give up the fight and return to your comfort zone That s why I wrote about speed reading to start living in the culture of this wonderful field You have speed reading on your side With it you can get to break the 1000 words per minute barrier That means you ll be able to read four times faster than the average person with the same or even better comprehension of the text
