Weekly Ad Booktok Trending Deal:

Child as Citizen Giuliana Fenech, 2025-08-15 Contributions by Daniela Brockdorff Nina Christensen Jill Coste Katrin Dautel Justyna Deszcz Tryhubczak Giuliana Fenech Naomi Hamer Irena Barbara Kalla Anne Klomberg Sonali Kulkarni Elizabeth Leach Leung Ann Marie Murnaghan Emily Murphy Emilie Owens Nicola Parker Patrycja Poniatowska Meg Rosoff and Farriba Schulz *Child as Citizen Agency and Activism in Children's Literature and Culture* addresses children's and young adult agency and activism across literature and culture demonstrating how these forces influence child citizenship Contributors to this volume highlight the agentic voices and activist practices that are growing across all spheres of young people's lives as well as the challenges to active citizenship that children growing up in unjust sociopolitical contexts face The volume is interdisciplinary and draws on the sociology of childhood children's literature studies youth culture studies media technology and cultural studies and Anthropocene ecofeminist and disability studies Agency occurs in and around literature and storytelling and this collection establishes how it is always influenced by identity as well as geopolitics how it is both subjective and collective how it is cultural and embodied and how like citizenship it is not a static status but rather an ongoing negotiation In this collection contributors invite readers to consider agency as a system of relations between children themselves between children and adults children and institutions and children and nation states as well as between children and the nonhuman This book reviews the interconnectedness between these relationships and attempts to untangle some of the complications that emerge

Publishing Markets Bianca Harrington, AI, 2025-02-28 The publishing industry stands at a fascinating crossroads navigating the tensions between established practices and digital innovation Publishing Markets offers a comprehensive analysis of this dynamic landscape exploring the impact of digital media traditional publishing and the rise of self publishing The book reveals how the increasing accessibility of digital platforms has empowered authors creating new avenues for content distribution while simultaneously presenting challenges related to quality control and revenue generation One intriguing fact is that while digital technologies have surged traditional publishers still play a crucial role in content curation and editorial expertise This book provides a structured examination of the publishing world starting with key concepts and historical context It then delves into traditional publishing models digital platforms and self publishing trends For instance readers will gain insights into the economics of traditional publishing including revenue streams and profitability metrics as well as the impact of ebooks and audiobooks on readership Ultimately the book analyzes future trends exploring emerging technologies and potential collaborations between traditional publishers and self published authors Publishing Markets distinguishes itself by integrating quantitative data with qualitative insights offering a nuanced understanding of the publishing industry's complexities

Atravesados Trevor Boffone, Cristina Herrera, 2025-02-17 Contributions by Frederick Luis Aldama Trevor Boffone T Jackie Cuevas Cristina Herrera Alexander Lalama Angel Daniel Matos Regina Marie Mills Joseph Isaac Miranda Jesus Montaño Domino Renee Perez Regan Postma

Monta o Cristina Rhodes and Sonia Alejandra Rodr guez Atravesados Essays on Queer Latinx Young Adult Literature shows how Latinx queer YA writers discard the same old story and offer critical representations of queerness that broaden YA writing and insist on the presence of queer teens of color Atravesados draws on foundational Chicana queer theorist Gloria Anzald a s notion of atravesados to speak to the spectrum of queer youth Latinidades as they materialize in YA literature Los atravesados according to Anzald a are the squint eyed the perverse the queer the troublesome the mongrel the mulato the half breed the half dead in short those who cross over pass over or through the confines of the normal Los atravesados reside in the borderlands space of ni de aqu ni de all neither here nor there present yet liminal their queerness the very source of both frustration and empowerment a paradox of joy and tragedy Although written in 1987 Anzald a s theory speaks to the realities of queer Latinx teens that fill the pages of YA literature well into the twenty first century Characters such as Juliet from Gabby Rivera s Juliet Takes a Breath Aaron from Adam Silvera s More Happy Than Not or the titular Chulito from Charles Rice Gonzales s novel encompass the highs lows and everything in betweenness of queer Latinx teen lived experiences This collection tells their stories Contributors speak to the spectrum of queer youth Latinidades as they materialize in YA literature paying close attention to representation and the ways youth are portrayed whether accurate or stereotypical Close attention is paid to books that succeed in broadening the field of YA highlighting authors that draw from their own lived experiences and situate strong fully developed characters Taken together these essays move beyond the page explaining to readers why representation and authenticity matter in YA literature as well as the far reaching effects they can have for real world queer Latinx teens

Facebook vs TikTok Isaac Berners-Lee, AI, 2025-02-12 Facebook vs TikTok explains the fierce competition between two social media giants and its impact on global communication cultural trends and business The book explores the distinct strategies of these platforms concerning content creation user engagement and data utilization One intriguing insight is how TikTok s emphasis on short form video content has reshaped digital marketing strategies forcing even established platforms like Facebook to adapt It also highlights the influence of both platforms on cultural trends and social movements The book examines the evolution of social media business models and advertising ecosystems which are vital for anyone involved in digital marketing It presents a comparative perspective emphasizing the contrasting approaches of Facebook and TikTok Beginning with the origins of both platforms the book progresses to analyze user engagement cultural impact and advertising strategies The analysis is supported by financial reports market research and user behavior studies offering readers practical guidance for navigating the evolving digital landscape

[Author Your Ambition: The Complete Self-Publishing Workbook for First-Time Authors](#) M.K. Williams, 2023-01-10 Use this comprehensive how to guide from M K Williams to self publish and market your first book The dream is holding your finished book in your hands The reality well it can be far from ideal When you write and self publish your book there are seemingly thousands of small decisions to make It can be a lot to manage Oh then there are dozens of gurus telling you that their way is the best

With *Author Your Ambition* you will work through your vision and goals for your book. From there the decisions on your strategy, which platforms and retailers your book will be on, and how much you budget for this endeavor will be clear. The steps needed to get the book across the finish line with a cover, formatted files, and a solid launch marketing plan are all included. This guidebook takes the guesswork out of starting your author business. Using the exercises and checklists in this workbook, you can choose your own self-publishing adventure. What works for you and your book. Only you know. M. K. Williams has taken almost a decade of experience writing and publishing her own books and helping others do the same, and turned her massive set of checklists into their easy-to-use guide. Let's get started on your author journey today. **How to Publish**

Academic Books: A Guide to Publishing Monographs, Edited Volumes, Textbooks, and Theses Nitin Liladhar Rane, Saurabh Choudhary, Jayesh Rane, 2024-12-05. The academic book publishing sector has a key function when it comes to knowledge production and dissemination across various disciplines. For researchers, scholars, and educators, the process of moving from concept to publication is rarely a trivial task and often involves the use of imagination, perseverance, and teamwork. Publishing a monograph, an edited volume, or a textbook or turning your thesis into a book can be painful. This book will help you demystify the world of academic book publishing, offering authors a guide to navigating the complicated process with success. This guide aims to provide authors with the knowledge of tools and resources needed to publish a book that reflects their research. If you want a sneak peek into the workings of scholarly publishing, it features advice from senior authors, publishers, and academics with an intimate familiarity with the academic publishing process. Divided into chapters, the book covers the major elements of the publishing journey: steps to writing the proposal, advice on working with publishers, and challenges of the current moment like open access and new fields of study. The first step to getting published is learning to write a scholarly manuscript or book proposal. Writers need to know how to present their research in front of potential publishers. It necessitates then not just a firm grasp on the work in question but a facility for conveying the relevance of the work and its potential to make a difference. Therefore, it is very important to tread carefully through the relationship with the publishers, as the success of publishing partnerships relies heavily on trust, collaboration, and shared vision for the book. Open access publishing for scientific journals has played an increasingly important role in the ever-evolving academic world. There are new ways for authors to disseminate their work and increase the accessibility of research through open access. It is an exciting time to be an author, but it is also a challenging time in terms of financial viability and finding new publishing models. This section deeply studies the influence of open access so that authors can better develop books around it. Many students work years on their theses, and getting them published can greatly aid their academic careers. It is not simply editing; this means changing the format to suit for wider academic publication and conforming to the expectations of the publisher. This book is a road map for authors making this transition. For authors in emerging or interdisciplinary fields, publishing can bring unique challenges. There may not be established publishing pathways in these fields, or the intended audience may be smaller.

and more specialized. Despite these challenges, there are great rewards to publishing in such fields, and this book outlines strategies to achieve their success. Authors will discover how to seek the ideal publisher, determine their target market, and how to frame their work to have a noteworthy effect in their area. Technological advancements, global trends, and academic expectations have all combined to shape the future of academic book publishing. By the end of this book, readers will be equipped with a fundamental understanding of the academic publishing process. From preparing manuscripts and working with publishers to navigating new models of publishing, this guide arms authors with practical advice and strategies to ensure their research becomes a published book. It is our goal that this book helps those who hope to disseminate their research through publication of scholarly books.

Book Marketing Strategies: Jonathan K. Hari, *Book Marketing Strategies: How to Promote and Sell Your Book Successfully: Proven Techniques for Self-Published and Traditional Authors*. Every author dreams of seeing their book in the hands of eager readers. But in today's crowded market, simply writing a great book isn't enough; it needs to be strategically marketed to stand out. Inside this book, you'll discover: Understanding the Book Market, Identifying Your Target Audience, Building an Author Brand, Crafting a Winning Book Launch Plan, The Power of Social Media Marketing, Email Marketing for Authors, Leveraging Book Reviews and Testimonials. Packed with actionable strategies, insider insights, and proven marketing techniques, this book will equip you with the knowledge to promote your book effectively and generate consistent sales. Don't let your book fade into obscurity; take control of your marketing journey. Scroll up and grab your copy today.

Publishing is Broken, but it Doesn't Have to Break Us Russell Nohelty, 2025-11-20. Publishing is broken, but it doesn't have to break you. In this candid, no-holds-barred guide, USA Today bestselling author and small press publisher Russell Nohelty reveals why the traditional publishing model is stacked against most writers and how to make the industry work for you. Drawing on decades of experience and dozens of successful book launches, Nohelty offers a blueprint for building your creative career without selling your soul or burning yourself out. You'll learn how to break free from tired industry myths, connect directly with the readers who love your work, jettison traditional gatekeepers, construct a sustainable creative life, and leverage simple tools and strategies that actually pay off without all the needless hustle. Whether you're a first-time writer or a seasoned pro, this book offers real-world strategies for breaking free of the status quo. Packed with straight talk, practical insights, and actionable advice, *Publishing Is Broken: Publishing But It Doesn't Have to Break Us* doesn't pretend there's a one-size-fits-all answer. Instead, it hands you the keys to design a publishing path that fits your goals, your schedule, and your sanity. If you're ready to build a thriving, bullshit-free writing career, this book will show you the way forward.

China's eBook Evolution Xiang Ren, 2024-06-30. This Element explores the changing landscape of eBook businesses and cultures in China in the past two decades and examines how disruptive innovation and the platform economy have transformed one of the world's largest

book markets Through an evolutionary perspective this Element documents and analyses the emergence growth and refinement of disruptive models in three areas of trade publishing including free eBook developments digital self publishing and platformed social reading It offers a critical account of the complex interplay between emerging technologies business innovations and book cultures and conceptualises China s eBook evolution as both a part of global digital publishing transformation in the platform age and an embodiment of local dynamics in a transitional society This Element is essential for scholars students publishers and the interested publics to understand China s digital publishing innovations and their global implications
