Principles of Strategic Communication Derina Holtzhausen, Jami Fullerton, Bobbi Kay Lewis, 2025-10-31. Now in a second edition this book introduces students to the theories of strategic communication and their application to everyday practice. Key updates to the second edition include the use of artificial intelligence in the practice of strategic communication and a focus on health communication and crisis communication in the wake of a global pandemic, personal branding, social responsibility in an era of disinformation and the addition of models for ethical decision making. It also features a completely updated chapter on new media and media metrics. Each chapter includes introductory learning outcomes, updated case studies, a career profile of a current practitioner, end of chapter discussion questions and boxes that highlight theory and research as well as the strategic communication industry insights. *Principles of Strategic Communication Second Edition* is ideal as a core text for undergraduate students in strategic communication courses within media communication, marketing and advertising programs. The accompanying online resources feature chapter summaries, useful links to examples of strategic communication in action, suggested further reading and sample test questions. Instructors will find an instructor's resource manual that includes sample syllabi, class activities, lecture topics and a test bank. New to this edition are PowerPoint slides for each chapter. The Four Scott Galloway, 2017-10-03 NEW YORK TIMES BESTSELLER USA TODAY BESTSELLER Amazon Apple Facebook and Google are the four most influential companies on the planet Just about everyone thinks they know how they got there Just about everyone is wrong For all that s been written about the Four over the last two decades no one has captured their power and staggering success as insightfully as Scott Galloway Instead of buying the myths these companies broadcast Galloway asks fundamental questions How did the Four infiltrate our lives so completely that they re almost impossible to avoid or boycott Why does the stock market forgive them for sins that would destroy other firms And as they race to become the world s first trillion dollar company can anyone challenge them In the same irreverent style that has made him one of the world s most celebrated business professors Galloway deconstructs the strategies of the Four that lurk beneath their shiny veneers He shows how they manipulate the fundamental emotional needs that have driven

us since our ancestors lived in caves at a speed and scope others can't match. And he reveals how you can apply the lessons of their ascent to your own business or career. Whether you want to compete with them, do business with them, or simply live in the world they dominate, you need to understand the Four

The Partnership Economy David A. Yovanno, 2022-02-15
