couldn't or wouldn't do. A government program attempted to turn men into superhuman soldiers and spies. Those who survived were barely human. Now key players want to revive the program. Join the operators of the SSU and the women they love on thrilling adventures as they work to stop a deadly and unstable army of superhuman soldiers from being unleashed on the world. The titles included in this volume include **VENGEANCE**. Niko Andros became a criminal to protect his family. He served his years in prison and now he's earning redemption, one mission at a time, with a secret military strike force. He thought his family was safe, but when an old enemy resurfaces, his aunt is caught in the crossfire, and he'll do anything to save her. Double crosses lurk around every corner. Niko's boss has him playing babysitter for the whole team, including a brash young female agent who's only after vengeance and liable to get them all killed. New agent Jenna Paterson is too close to the mark, and her traumatic past threatens to ruin everything, including the growing attraction between them. Niko knows all the training in the world won't stop Jenna's demons from getting the better of her, but he refuses to lose the woman he's grown to love. But if she doesn't stop her quest for vengeance and learn to trust Niko's experience, Jenna's life won't be the only thing that's lost. Niko's heart is also in danger. **UNDERCOVER: A PREQUEL NOVELLA** not available for sale individually. In his quest for vengeance, he's turned himself into a criminal. Undercover agent Niko Andros can't let go of his anger over the hit that paralyzed his father. When the crime lord responsible, Jaime Alvarez, offers Niko a place in his organization, Niko accepts and dives into the criminal underworld. Niko plays the dutiful soldier, giving Alvarez the appearance of having turned away from his law-abiding family. Each sin Niko is forced to commit brings him closer to taking down his enemy and closer to the darkness he fears he'll never escape. This short bonus novella is approximately 15,000 words. It takes place before *Vengeance* and gives the backstory between Niko and Alvarez. Unlike *Vengeance*, this novella is suspense only, with no romance. **BETRAYAL**. An innocent woman is caught in the crosshairs of an international manhunt. Her only hope of escaping the jungle alive is the most wanted man on the planet. Accused of a murder he didn't commit, Kai Paterson has been on the run for years, looking for the proof he needs to clear his name. In the process, he's become worse than some of the criminals he's hunted. He'll never outrun his nightmares or his guilt, but if he can save archeologist Susana Dias, maybe he can balance the scales and wash some of the blood from his hands. The government wants her for the same reason he needs her: she holds the key to his salvation and their downfall. The unlikely pair teams up, and they race through the jungle, staying only steps ahead of the mercenaries closing in on them. When the stakes rise even higher, Kai is forced to make a choice: innocent lives or the life of the woman he loves. **RETRIBUTION**. A shadowy government organization is about to unleash a secret weapon against an innocent population. Only one man can stop the destruction, but first he has to remember her. Rafe Andros had everything he wanted until a mission went horribly wrong. Now he's not just a prisoner; he's the subject of a brutal experiment that's slowly eroding everything that makes him human. He can't remember much. The mental brainwashing makes him attack anyone he knew or loved in the past. Anyone except her. His only hope for salvation is Dr. Gabby Montague, a scientist tricked into
