Overcomers A Love Story:

Overcomers: A Children's Christian Suspense Story Joy Ohagwu, 2022-01-01 Overcomers is your Children's Christian fiction story to help your children overcome fear. Nine-year-old Claudia Rose lives in Serenade Creek, a town known for its beauty and peace until an armed invasion kicked her life out of normal into frantic despair. A fight against fear took her to the brink of these choices: give in to fear or fight off fear with the love of God to save the people of her lovely town. What will she choose? Overcomers, a story which helps kids build faith, beat fear, and keep fear off for good, is perfect for your child. Read Overcomers to them today. Overcomers is USA Today Bestselling author Joy Ohagwu's first Children's fiction book with many titles in her grownup catalogue in Christian Fiction. You can find more books in her catalogue by visiting her website and you can also get a free Overcomers bookmark.

Overcomer Aubrey Gayel Sampson, 2015-10-06 Christian women have allowed shame to condemn and confine them for far too long. If you're ready to turn things around, Aubrey Sampson, a pastor's wife and an advocate for at-risk women, invites you to become an unashamed woman. Using the model of a house, Sampson identifies eight major lies of shame such as "I'll have more value when I change," "I cannot experience freedom from shame," "My past is unsalvageable," and "Shame is only traumatic." Written with a strong biblical theology and humorous authenticity, as well as true life stories shared by women of all ages, Sampson equips readers with tools for an ongoing spiritual discipline of shamelessness. Sampson deals directly with the shame that comes from comical moments in life as well as from sexual abuse, eating disorders, addiction, abandonment, and other real-life issues. She also encourages women to transform their life's story into ministry, creating ripple effects of hope and healing that can change the world. Written for any woman whose self-worth has been stolen, Overcomer gives her the courage in Jesus to reclaim it.

Overcomer Victor J. Clark, 2021-10-07 Statistics say that 98 percent of people in the world die without ever fulfilling their purpose. This is extremely concerning because many people are living hopeless and apathetic lives. Deep down inside, people want their lives to count, to matter, and to be worth something. People want their lives to have meaning and are searching for the keys to find inner peace and happiness. Throughout our journey, we unfortunately make life more complicated than it needs to be because we believe our purpose gives us our identity. To say the least, it should be the other way around because we must discover who we are within in order to find our purpose. When we discover who we are, we will find happiness, and this will lead us down the road of success. Unfortunately, people are led to believe that success will bring them happiness, but this is far from the truth. True success starts with knowing yourself so that you can find the peace and happiness you desperately crave. Overcomer is a book that will help you to discover your true self and propel you into the position that the Creator has purposed for your life. Within this life-changing book, you will learn how to change your perspective, have a definite purpose, overcome obstacles, implement self-love and confidence, change your environment, and eliminate negative self-talk. Too many people in today's society are struggling with mental health, and they need something that's going to pull them out of the dark places and bring them into

the light of awareness Every step we take along our journey we are either moving closer to our destiny or getting farther away from it If you desire to take charge of your life and discover your purpose then this is the book you have been searching for Now is the time to change your life and to begin walking toward your destiny As you turn the pages in this book and embark upon the journey of my life you will discover how to overcome obstacles take control of your life and discover your purpose You have always been an overcomer so it s time to become the champion you were always meant to be 2 *The Ministry, Vol. 11, No. 04* Various Authors,2007-05-01 This issue of The Ministry presents the first eight messages given during the 2005 fall term of the full time training in Anaheim California The general subject of this series of messages is entitled The Overcoming Life as Portrayed in Song of Songs This general subject is based upon an intrinsic revelation in the Scriptures related to our overcoming and our love relationship with the Lord This is demonstrated in Romans 8 37 the theme verse of this entire series of messages which says In all these things we more than conquer through Him who loved us The Greek word translated more than conquer is hypernikao which literally means super overcome or more than overcome Hence we more than overcome through Him who loved us According to this verse the ones who are really loved by God become super overcomers more than conquerors There is a deep sweet rich essential intrinsic organic and experiential connection between love and overcoming In Song of Songs the lover of Christ overcomes in four stages in the first stage 1 2 2 7 she overcomes the attraction of the world by being captivated by Christ in the second stage 2 8 3 5 she overcomes the self which secludes her from the presence of Christ by becoming one with the cross of Christ in the third stage 3 6 5 1 she overcomes the old creation the physical things by living in the ascension of Christ in resurrection after her self has been dealt with by the cross and in the fourth stage 5 2 6 13 she overcomes the flesh the natural man the old man by living within the veil requiring a deeper experience of the cross Last of all we present a concluding set of testimonies from some who participated in the recent gospel move in the Russian speaking world The Heart of an Overcomer Julius Rono,2010-11-28 God is looking at the soul at the heart at the real you and I Therefore my dear friends it stands to reason by the most elementary mathematics that we therefore must treat the soul as the best thing we have Render everything to Him and He will surely easen for you In this book you will find the encouraging words from the author who has withstood the attacks from the enemy The message is timely and lifechanging Journey from Survivor to Overcomer Dr. Latrice Love,2012-03-14 In The Journey from Survivor to Overcomer The L O V E Model Dr Latrice Love uses her own personal experience in overcoming adversity to develop an innovative and groundbreaking method for rising above difficulties and making the most of your life Building on her extensive experience as a professional counselor she offers a four step model that can help individuals who have lost their direction focus on specific goals and discover new inner resources for personal growth Each section includes writing and visualization exercises that encourage readers to develop a specific plan for moving forward Dr Loves L O V E model is an insightful refreshing approach to personal growth and development and her humorous empathetic and no
