Arabia 2014 Oxford Business Group,2014-08-18 Home to an estimated 15.9% of the world's proven oil reserves Saudi Arabia is the single largest economy in the Middle East and North Africa According to the Ministry of Finance real GDP grew by 3.8% to 746bn in 2013 While oil income is expected to continue to account for the majority of government revenues for the foreseeable future the non oil sector has expanded significantly in recent decades growing 9.3% in 2013 Indeed while some Western countries may be seeing a return to cautious optimism and leading emerging economies are weighing the potential impact on capital flows of tapering in the US Federal Reserve's quantitative easing programme Saudi Arabia is seeing sustained growth buoyed by high global oil prices and internal investment in its own infrastructure Some 15 years after Saudi Arabia attended the inaugural meeting of G20 countries its key economic indicators make it the envy of many other member states Given the size of Saudi economy within the regional and indeed global market OBG looks in depth at bilateral trade between ASEAN nations and the GCC [The Report: Kuwait 2024](#) Oliver Cornock, Kuwait with one of the region's most dynamic political systems and the world's six largest crude oil reserves has seen significant GDP growth in recent years As part of its efforts to diversify away from a reliance on hydrocarbons New Kuwait 2035 a long term economic development framework aims to transition the country from resource based industries to knowledge based ones **The Unofficial Guide to Las Vegas 2015** Bob Sehlinger,2014-08-18 With insightful writing up to date reviews of major attractions and a lot of local knowledge The Unofficial Guide to Las Vegas by Bob Sehlinger has it all Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today and Operations Research Forum The Unofficial Guide to Las Vegas digs deeper and offers more than can any single author This is the only guide that explains how Las Vegas works and how to use that knowledge to make every minute and every dollar of your time there count With advice that is direct prescriptive and detailed it takes out the guesswork Eclipsing the usual list of choices it unambiguously rates and ranks everything from hotels restaurants and attractions to rental car companies With The Unofficial Guide to Las Vegas you know what's available in every category from the best to the worst The reader also finds fascinating sections about the history of the town and chapters on gambling The Unofficial Guide to Las Vegas emphasizes how to have fun and understand the crazy environment that is today's Vegas It's a keeper [Collector's Guide](#),1995 The Collector's Guide strives to be a trusted partner in the business of art by being the most knowledgeable helpful and friendly resource to New Mexico's artists art galleries museums and art service providers Through a printed guidebook the World Wide Web and weekly radio programs we serve art collectors and others seeking information about the art and culture of New Mexico [The Report: Algeria 2013](#) Oxford Business Group,2013-11-27 Considerable oil and gas revenues have provided the Algerian government with sufficient funds to embark on generous public spending programmes in nearly all sectors leading to improvements in many of the country's headline indicators Although hydrocarbons are likely to remain the backbone of the economy for the foreseeable future with significant state involvement efforts are being made to diversify the

economy and support private sector growth Since the country gained independence more than 50 years ago Algeria's economy has evolved significantly with oil and gas production reinforcing high levels of state spending Algeria has been following something of a contrary approach to much of the rest of the world over the past few years Even as the global economy has struggled Algeria has continued to sail along fairly smoothly It has not seen the vertiginous growth rates of emerging markets elsewhere in the Middle East and Africa but it has seen a steady increase in activity and through prudential management has built up its financial reserves to great effect While the state maintains a heavy presence in the market the 38m person country's fundamentals are very robust and the capital expenditures and policy reforms being taken to help address its weaknesses offer significant scope for even higher growth in the years to come
