Tinderbox James Andrew Miller, 2021-11-23 *Tinderbox* tells the exclusive explosive uninhibited true story of HBO and how it burst onto the American scene and screen to detonate a revolution and transform our relationship with television forever. *The Sopranos*, *Game of Thrones*, *Sex and the City*, *The Wire*, *Succession*. HBO has long been the home of epic shows as well as the source for brilliant new movies, news, making documentaries and controversial sports journalism. By thinking big, trashing tired formulas and killing off clichés long past their primes, HBO shook off the shackles of convention and led the way to a bolder world of content opening the door to all that was new, original and worthy of our attention. In *Tinderbox*, award-winning journalist James Andrew Miller uncovers a bottomless trove of secrets and surprises, revealing new conflicts, insights and analysis. As he did to great acclaim with *SNL*, *Live from New York* with ESPN in *Those Guys Have All the Fun* and with talent agency CAA in *Powerhouse*, Miller continues his record of extraordinary access to the most important voices this time speaking with talents ranging from Abrams, J.J. to Zendaya, as well as every single living president of HBO and hundreds of other major players. Over the course of more than 750 interviews with key sources, Miller reveals how fraught HBO's journey has been, capturing the drama and the comedy off-camera and inside boardrooms as HBO created and mobilized a daring new content universe and in doing so, reshaped storytelling and upended our entertainment lives forever.

Pop Goes Korea Mark James Russell, 2012-10-20 Mr. Russell's book is the first by a non-Korean to explain the rise of Korea's entertainment industries; the book could hardly be more approachable. *Wall Street Journal*. For a country that traditionally received culture especially from China but also from Japan and the United States, South Korea finds itself at a turning point in its new role as exporter. *The New York Times*. From kim chee to kim chic, South Korea came from nowhere in the 1990s to become one of the biggest producers of pop content: movies, music, comic books, TV dramas, online gaming in Asia and the West. Why? Who's behind it? Mark James Russell tells an exciting tale of rapid growth and wild success marked by an uncanny knack for moving just one step ahead of changing technologies such as music downloads and Internet comics that have created new consumer markets around the world. Among the media pioneers profiled in this book is film director Kang Je-gyu, maker of Korea's first blockbuster film *Shiri*; Lee Su-man, who went from folk singer to computer programmer to creator of Korea's biggest music label; and Nelson Shin, who rose from North Korea to the top of the animation business. Full of fresh analysis, engaging reportage and insightful insider anecdotes, *Pop Goes Korea* explores the hallyu, the Korean Wave hitting the world's shores in the new century. Mark James Russell has been living in Korea since 1996. His articles about Korean and Asian cultures have appeared in *Newsweek*, *The New York Times*, *International Herald Tribune* and many other publications. He is currently the Korea Japan Bureau Chief for *Asian Movie Week* magazine.
