Baldwin-Edwards, Albert Kraler, 2009 REGINE is a research project on regularisation practices in the European Union The aim of the project is to provide a thorough mapping of practices relating to the regularisation of third country nationals illegally resident in EU Member States Two additional non EU countries Switzerland and the US will also be covered to gain insights in regularisation practices and the impact of regularisations elsewhere In examining regularisation practices the project also investigates the relationship of regularisation policies to the overall migration policy framework including to protection issues and refugee policies Moreover the project examines the political position of different stakeholders towards regularisation policies on the national level Finally the project examines potential options for policies on regularisation on the European level incorporating Member States as well as other stakeholders views on possible instruments on the European level

Queer Sinister Things Tomas B. Phillips, 2010-06-21 Phillips delivers a refreshingly honest and deeply compelling narrative of the history of modern Iran With the feel of a great historical novel Philips pierces through the ideological biases which have shaped our understanding of the Middle East Cold War and the Iranian people On every page we witness the complexity of governing a developing nation torn internally by the demands of liberal constitutional republicans radical Socialists and radical Islamists and externally between the opposing powers of East and West In Queer Sinister Things Phillips by passes the version of events dominant in today s academic and media circles relying instead on the stories provided by those who documented developments in and about Iran as they happened This living history highly recommended for students educators journalists policy makers and lovers of history everywhere will forever change your understanding of this ancient land and its people

Turkey's 'Self' and 'Other' Definitions in the Course of the EU Accession Process Melek Saral, 2025-10-01 While Turkey in recent years has experienced an exhaustive accession process to join the EU a long desired aim at the same time it has been increasing its involvement across the Middle East leading to a debate over whether it is altering its focus from West to East This book reveals that a shift in focus can be seen through analysis of the Turkish political elites' definitions of self and other that were established as part of the EU accession process Melek Saral uses these definitions to help us better

understand the shift that Turkey is currently undergoing **Unlearning Liberty** Greg Lukianoff, 2014-03-11 For over a generation shocking cases of censorship at America's colleges and universities have taught students the wrong lessons about living in a free society Drawing on a decade of experience battling for freedom of speech on campus First Amendment lawyer Greg Lukianoff reveals how higher education fails to teach students to become critical thinkers by stifling open debate our campuses are supercharging ideological divisions promoting groupthink and encouraging an unscholarly certainty about complex issues Lukianoff walks readers through the life of a modern day college student from orientation to the end of freshman year Through this lens he describes startling violations of free speech rights a student in Indiana punished for publicly reading a book a student in Georgia expelled for a pro environment collage he posted on Facebook students at Yale banned from putting an F Scott Fitzgerald quote on a T shirt and students across the country corralled into tiny free speech zones when they wanted to express their views But Lukianoff goes further demonstrating how this culture of censorship is bleeding into the larger society As he explores public controversies involving Juan Williams Rush Limbaugh Bill Maher Richard Dawkins Larry Summers even Dave Barry and Jon Stewart Lukianoff paints a stark picture of our ability as a nation to discuss important issues rationally Unlearning Liberty Campus Censorship and the End of American Debate illuminates how intolerance for dissent and debate on today's campus threatens the freedom of every citizen and makes us all just a little bit dumber

Financial Capability and Asset Building in Vulnerable Households Margaret Sherraden, Julie Birkenmaier, J. Michael Collins, 2018-03-28 Financial struggles of American families are headline news In communities across the nation families feel the pinch of stagnant and sometimes declining incomes Many have not recovered from the Great Recession when millions lost their homes and retirement savings They are bombarded daily with vexing financial decisions Which bills to pay Where to cash checks How to cover an emergency How to improve a credit report How to bank online How to save for the future Low and moderate income families have few places to turn for guidance on financial matters Not many can afford to pay a financial advisor to help navigate an increasingly complex financial world They do their best with advice from family and trusted individuals Social workers financial counselors and human services professionals can help As first responders they assist families and help in finding financial support from public and private sources But these professionals are too often unprepared to address the full range of financial troubles of ordinary working families Financial Capability and

Asset Building in Vulnerable Households prepares social workers financial counselors and other human service professionals for financial practice with vulnerable families Building on more than 20 years of research the book sets the stage with key concepts historical antecedents and current financial challenges of families in America It provides knowledge and tools to assist families in pressing financial circumstances and offers a lifespan perspective of financial capability and environmental influences on financial behaviors and actions Furthermore the text details practice principles and skills for direct interventions as well as for designing financial services and policy innovations It is an essential resource for preparing the next generation of practitioners who can enable families to achieve economic security and development Welcome to College 2nd ed Jonathan Morrow,2017-03-28 The single best volume I have ever read for preparing students for how to follow Jesus and flourish as his disciple in college J P Moreland Is there a more frightening question for a graduating high school senior than What will you do with your life In college whether they realize it or not students will answer that question every day with each decision All of the new friends and new experiences of higher education will shape their future It s critical that students know how to handle college before they re in the thick of it Jonathan Morrow tackles the tough questions that arise during these formative years including How do you grow spiritually How do you manage your time to both study well and have fun Is all truth relative Are there good reasons to be a Christian As a Christian how should you view issues like dating and sex Each chapter of this new edition has been updated and the author has included a new chapter on Christianity homosexuality and the Bible Grounded in both his own extensive experience and biblical truth Morrow s book is full of quick easy to read chapters and excellent advice Student Financial Aid, 1978-79 Handbook United States.
