Global Literary Studies Diana Roig-Sanz,Neus Rotger,2022-12-05 While the very existence of global literary studies as an institutionalised field is not yet fully established the global turn in various disciplines in the humanities and the social sciences has been gaining traction in recent years This book aims to contribute to the field of global literary studies with a more inclusive and decentralising approach Specifically it responds to a double demand the need for expanding openness to other ways of seeing the global literary space by including multiple literary and cultural traditions and other interdisciplinary perspectives in the discussion and the need for conceptual models and different case studies that will help develop a global approach in four key avenues of research global translation flows and translation policies the post 1989 novel as a global form global literary environments and a global perspective on film and cinema history Gathering contributions from international scholars with expertise in various areas of research the volume is structured around five target concepts space scale time connectivity and agency We also take gender and LGBTQ perspectives as well as a digital approach

The Great Transition Nick Fuller Googins,2024-08-20 Emi Vargas whose parents helped save the world is tired of being told how lucky she is to have been born after the climate crisis But following the public assassination of a dozen climate criminals Emi s mother Kristina disappears as a possible suspect and Emi s illusions of utopia are shattered A determined Emi and her father Larch journey from their home in Nuuk Greenland to New York City now a lightly populated storm surge outpost built from the ruins of the former metropolis But they aren t the only ones looking for Kristina Thirty years earlier Larch first came to New York with a team of volunteers to save the city from rising waters and torrential storms Kristina was on the frontlines of a different battle fighting massive wildfires that ravaged the western United States They became part of a movement that changed the world The Great Transition forging a new society and finding each other in process Alternating between Emi s desperate search for her mother and a meticulously rendered heart stopping account of her parents experiences during The Great Transition this novel beautifully shows how our actions today determine our fate tomorrow

The Secret Life of EL James Marc Shapiro,2012-12-17 Everyone wants to know how EL James a middle aged mom of two from the London suburbs became the best selling author of all time with over a million books selling worldwide

in less than a year and now a major motion picture Read this book to find out exactly how she did it Inside you ll learn how she wrote her first draft based on Twilight fan fiction and how she rewrote it as the book we know and love today the rough and tumble process of editing and how she assembled a group of dedicated fans herself that brought this smutty masterpiece to the rest of the world Inside these pages is the step by step process by which this middle aged British mother came up with the international best selling erotic romance series that has sold more copies than Harry Potter and Gone with the Wind combined NY Times best selling biographer Marc Shapiro uncovers the inspiration and secrets behind this writing sensation explaining how she did it with exclusive interviews with her editors and early fans *The Experiential Therapist* Peter D. Ladd,2020-10-06 In *The Experiential Therapist Phenomenology Trauma Informed Care and Mental Health* Peter D Ladd steps outside of the medical model to explore alternative ways of thinking about mental health disorders Through case studies and analyses of current methods and research Ladd stresses the importance of incorporating trauma informed care phenomenological insights and empowerment methods in daily practice By analyzing issues such as collaboration wisdom momentum dialogue and necessary suffering Ladd highlights the importance of engaging with a patient s mental health experience and its impact on her family and argues that successful treatment results from an informed understanding of a patient s experience not an ability to name and categorize difficult experiences as classical disorders **The History of Science Fiction and Its Toy Figurines** Luigi Toiati,2023-12-21 This eye opening book deserves a spot on the bookshelves of anyone who not only enjoys collecting but also has a great interest in all facets of the history of our hobby Toy Soldier Collector Science fiction as the name suggests is the combination of science and fantasy In addition to a literary form it also encompasses film TV comics toys and our beloved toy astronauts or other figures such as aliens monsters and other playable genres The term science fiction was coined by publisher Hugo Gernsback around the first decades of the last century to refer to the predominantly space adventures covered in his magazines Space invaded radio cinema TV and consequently for a long time toy figurines were predominantly space related later evolving into other themes This lavishly illustrated book covers both the history of literary science fiction following in the footsteps of contemporary official criticism and toy figurines inspired by science fiction You will also find several other themes such as the link between science fiction figures and cinema radio TV comics and more Luigi Toiati offers to both guide the reader on an often nostalgic walk through science fiction in all its various forms and to describe the figurines and brands associated with it [On Trails](#) Robert Moor,2017-07-04 In 2009 while thru hiking the Appalachian Trail Robert Moor began to wonder about the paths that lie beneath our feet How do they form Why do some improve over time while others fade What makes us follow or strike off on our own Over the course of the next seven years Moor traveled the globe exploring trails of all kinds from the miniscule to the massive He learned the tricks of master trail builders hunted down long lost Cherokee trails and traced the origins of our road networks and the Internet In each chapter Moor interweaves his adventures with findings from science history philosophy and nature writing combining

the nomadic joys of Peter Matthiessen with the eclectic wisdom of Lewis Hyde's *The Gift Throughout Moor* reveals how this single topic the oft overlooked trail sheds new light on a wealth of age old questions How does order emerge out of chaos How did animals first crawl forth from the seas and spread across continents How has humanity's relationship with nature and technology shaped the world around us And ultimately how does each of us pick a path through life With a breathtaking arc that spans from the dawn of animal life to the digital era *On Trails* is a book that makes us see our world our history our species and our ways of life anew Book jacket flap
