Focus On: 100 Most Popular United States Men's National Basketball Team Players Wikipedia contributors, **Basketball in America** Frank Hoffmann, Robert P Batchelor, Martin J Manning, 2016-05-23 Examine the social and cultural impact of basketball on America at the amateur and professional levels Basketball in America From the Playgrounds to Jordan s Game and Beyond is a pioneering analysis of the history of basketball and its effect on popular culture from the 1970s to today The popularity of basketball is undeniable and the subject allows for such a broad range of interpretations in popular culture It cuts across economic racial and social boundaries and its major stars cross over into other forms of popular entertainment more than any other professional sport This book examines the entire scope of modern basketball history from the playgrounds where people first learn the fundamentals to the college and professional levels Basketball in America is a collection of essays that explores the intersection of basketball and popular culture in America The contributors are an eclectic mix of writers scholars journalists former players coaches and sports enthusiasts who all share an undying love for the game of basketball The authors analyze the sport from a cross cultural and historical perspective digging deep into the profound popular cultural influences of basketball and exploring the scope and depth of its influence This is the first book that examines the social and cultural impact of basketball on American society to reveal how tightly it is woven into America s cultural fabric Also included are photographs and tables to enhance your understanding of the material Topics covered in Basketball in America include Elgin Baylor the first modern basketball player Chocolate Thunder and Short Shorts The NBA in the 1970s Dr J Bird Magic Jordan and the Bad Boys The NBA in the 1980s The Jordan Era The NBA in the 1990s LeBron James and the future of the NBA the Nike brand and popular culture lessons learned from legendary UNC coach Dean Smith professional women s basketball and much more Basketball in America is a comprehensive analysis that will appeal to anyone interested in understanding how the sport has become an integral part of our national culture It is an insightful read for sports fans as well as for sports historians In addition this book can be used as a textbook in sports history or sociology of sports classes It will entertain and inform those who treasure basketball and the role it plays in the American consciousness Make it part of your collection today [The Business of Sports](#) Dennis R. Howard, Brad R. Humphreys, 2008-06-30 The sports industry is large visible and growing and it has a huge impact on society That s obvious to die hard fans who not only watch sporting events but buy everything from balls to ties to paperweights with their favorite team s logo But even sports haters can t escape the onslaught of professional sports They are asked to chip in as taxpayers to build public stadiums and their children are like it or not exposed to events sponsored by alcohol and tobacco companies not to mention the juvenile antics of star athletes Businesses of course take a hit in productivity when the Olympics or World Series or Super Bowl or World Cup rolls around Yet most of us love to watch and play The Business of Sports takes on this endlessly fascinating behemoth of an industry to make sense of it all Yes sports is big business How big Estimates of total

annual U S spending on sporting goods and services range from 250 to 560 billion a year and spending related to organized sport alone has been estimated at 200 billion per year And it s getting bigger casting an ever larger shadow over the entire globe The Business of Sports throws light on the subject by exploring the business and economic dynamics of the industry from a diverse array of perspectives that cover the industry s macroeconomic management and marketing promotion issues Volume 1 Perspectives on the Sports Industry documents the current size scope and magnitude of the sports industry in the U S and abroad including the U K and China It also examines the importance of the world s most visible sporting events like the Olympics and the impact of sporting events broadcast around the world Volume 2 Economic Perspectives on Sport takes an in depth look at the sports industry from an economic perspective The volume delves into the inner workings of leagues and teams covering economic issues from the design of sports leagues to franchise financial valuations to salary caps to labor relations Volume 3 Bridging Research and Practice fills the gap between scholarly research on sport and practitioners working in the industry Topics include evaluating talent maintaining managerial efficiency analyzing statistical performance indices and assessing the noneconomic benefits of professional sports Business and sports are a potent mix of two of the strongest forces moving our society today And as the stratospheric salaries of professional athletes indicate the industry is going through major growth and change To make sense of it all it helps to understand the underlying economic principles driving the business decisions made daily by owners and managers in all corners of the world The unique multivolume format of The Business of Sports allows sports nuts journalists business people and students to explore the wide variety of issues that fuel the world s crazy passion for all things athletic

We Are America, We Are Americans Matt Teahan, 2022-05-11 We Are America We Are Americans By Matt Teahan A Journey through life at least part of it and the lessons learned and in a rare instance taught In this quasi autobiography I answer the confounding questions of our day through a riveting for some people journey of all topics relevant Is the United States of America really a Christian Nation Where has this Country s corporate leadership gone Why would anyone waste an entire adolescence refining their basketball jump shot Why has the moral compass in Professional Sports disappeared into the abyss of political wokeness Why do we need to ban plastic straws and not water bottles particularly if Climate Change is going to kill us all in 9 years anyway How do we pay reparations for people of mixed race How can chicken sandwiches galvanize and legitimize the LGBT community What did I share with the Pope at the sacred site of Fatima What s it going to take to get millennials off Twitter out of Mom s basement and into Church Why is systemic ignorance a far greater threat to this country than anything else systemic I ll introduce a toxic blend of fact fiction criticism sarcasm reality inquiry and humor into the topics of the day And I ll blend my shallow yet relevant life experiences into the mix where it s almost impossible to tell the difference You may get bored You might not You may or may not like my viewpoints You might not even like me But you won t be the first nor the last I think however everyone will find something here they can relate to Whether it s basketball friends God politics a career or the social issues of the day there s something

for everybody Even for those who rarely open a book like today s College students For them I ve included pictures See Something for everybody And although some of my viewpoints you may frown upon you will appreciate the humor anecdotes multiple geography lessons ridicule sarcasm and blatant hypocrisy that I ll expose on any number of topics All shrouded in the novel concept called common sense And if you don t like to read about those types of things then don t buy the book Get it at the library I started this book on July 4th 2020 And I did it for a reason
