

A romantic fantasy illustration of a young man and woman sitting on a large, ornate blue armchair in a vast library. The woman, with long brown hair and a white headband, wears a white dress with a blue skirt and holds a green book. The man, with dark hair, wears a brown patterned jacket and holds a quill and an open book. A glowing, ethereal figure of a woman in a white dress appears behind them, surrounded by swirling purple and pink smoke. The library is filled with floor-to-ceiling bookshelves packed with books. On the floor around the chair are several open and closed books, a small table with a lit candle, and a small statue. The word "Romantasy" is written in a large, white, cursive font across the bottom of the image.

Romantasy S Tips:

The Oxford Guide to the Romance Languages Adam Ledgeway, Martin Maiden, 2016-09-05 The Oxford Guide to the Romance Languages is the most exhaustive treatment of the Romance languages available today. Leading international scholars adopt a variety of theoretical frameworks and approaches to offer a detailed structural examination of all the individual Romance varieties and Romance speaking areas including standard non standard dialectal and regional varieties of the Old and New Worlds. The book also offers a comprehensive comparative account of major topics, issues and case studies across different areas of the grammar of the Romance languages. The volume is organized into 10 thematic parts. Parts 1 and 2 deal with the making of the Romance languages and their typology and classification respectively. Part 3 is devoted to individual structural overviews of Romance languages, dialects and linguistic areas while Part 4 provides comparative overviews of Romance phonology, morphology, syntax, semantics and pragmatics and sociolinguistics. Chapters in Parts 5-9 examine issues in Romance phonology, morphology, syntax, semantics and pragmatics and discourse respectively while the final part contains case studies of topics in the nominal group, verbal group and the clause. The book will be an essential resource for both Romance specialists and everyone with an interest in Indo-European and comparative linguistics.
