O'Callaghan,Cyd Zeigler,2025-07-01 A riveting account of life as a closeted professional athlete from gay NFL player O Callaghan against the backdrop of depression opioid addiction and the threat of suicide O Callaghan s story is one of beautiful vulnerability and it further shows the importance of knowing you aren t alone Oprah Daily recommended by Gayle King Ryan O Callaghan s plan was always to play football and then when his career was over kill himself Growing up in a politically conservative corner of California the not so subtle messages he heard as a young man from his family and from TV and film routinely equated being gay with disease and death Letting people in on the darkest secret he kept buried inside was not an option better death with a secret than life as a gay man As a kid Ryan never envisioned just how far his football career would take him He was recruited by the University of California Berkeley where he spent five seasons playing

alongside his friend Aaron Rodgers Then it was on to the NFL for stints with the almost undefeated New England Patriots and the often defeated Kansas City Chiefs Bubbling under the surface of Ryan s entire NFL career was a collision course between his secret sexuality and his hidden drug use When the league caught him smoking pot he turned to NFL sanctioned prescription painkillers that quickly sent his life into a tailspin As injuries mounted and his daily intake of opioids reached a near lethal level he wrote his suicide note to his parents and plotted his death Yet someone had been watching A member of the Chiefs organization stepped in recognizing the signs of drug addiction Ryan reluctantly sought psychological help and it was there that he revealed his lifelong secret for the very first time Nearing the twilight of his career Ryan faced the ultimate decision end it all or find out if his family and football friends could ever accept a gay man in their lives Digital
