Therapist's Guide to Clinical Intervention Sharon L. Johnson, 2017-06-09

Therapist's Guide to Clinical Intervention Third Edition is an essential reference for providing clinical services and associated case formulations requiring formalized goals and objectives. It is ideal for use in assessment, treatment, consultation, completing insurance forms, and/or participating in managed care. This practical, hands-on book outlines treatment goals and objectives for each type of psychopathology as defined by the Diagnostic and Statistical Manual by the American Psychiatric Association. It additionally provides skill-building resources and samples of all major professional forms likely to be used in clinical treatment. The third edition conveniently maps individualized treatment plans utilizing evidence-based best practices and standards of care. Diagnostic information is presented by associated disorder or theme for easier access. New special assessments and skill-building entries are included. Also new are numerous website URLs associated with research articles and consumer resources that have been provided to complement clinical information and patient education. Outlines treatment goals and objectives for DSM-IV diagnoses. Presents evidence-based best practices of intervention. Provides the basis for assessing special circumstances. Offers skill-building resources to supplement treatment. Contains samples for a wide range of business and clinical forms. Supplies websites for additional clinical information and patient education.

Positive Effective Parenting Carol Lynne, 2012-03-20

Positive Effective Parenting is designed to give parents and others involved with the care and well-being of children the understanding and skills that will enable them to raise happy, successful, self-regulating adults. It will help them make changes in their children's attitudes, behaviors, decrease conflicts, stimulate communication and cooperation, raise self-esteem, and enhance what is already working. It will also teach parents how to change the quality of adult-child relationships. *Positive Effective Parenting* is easy to read and offers some fun as you get to take simple quizzes and answer questions about themselves and other members of the family.

A Clinical Guide to Pediatric Sleep Jodi A. Mindell, Judith A. Owens, 2010

Written for busy primary care practitioners, this book is a practical clinical guide to common pediatric sleep disorders and their treatment. Information is organized by specific disorder and by the most frequent presenting complaints. Symptom-based algorithms will enable practitioners to evaluate sleep complaints in a stepwise manner. Other features include symptom checklists for specific disorders and chapters on sleep problems in special populations. Appendices provide practical tools for screening for sleep problems, evaluating sleep studies, and counseling families. This edition includes updated ICSD-2 and ICD-10 diagnostic criteria and new and revised American Academy of Sleep Medicine Standards of Practice guidelines. Other highlights include new chapters on sleep hygiene and sleep enuresis, updated and expanded chapters on all sleep disorders, and up-to-date information on sleep medications and sleep in special populations. A companion Website will offer parent handouts for each age group and each sleep disorder, as well as screening questionnaires and sleep diaries.
