reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Text Me B. Bonin Bough**,2016-08-16 What's bigger than the internet? Putting it in every pocket and in every purse. This changes everything in ways we are only beginning to understand. Mobile devices have become staples of daily life, and our nonstop use of them has changed society forever. In *Text Me*, B. Bonin Bough, one of the world's leaders in digital marketing, explores the exciting impact and future implications of mobile devices and digital communication on individuals, companies, and society. Including insights from the minds behind Coca-Cola, Conde Nast, NASCAR, and Twitter, Bough breaks down the often counterintuitive ways mobile devices and digital data are reshaping the way we experience, consume, and think, including why consumers now have more control of their shopping and spending, how mobile phones have actually rescued language, why parents not kids should put down their phones, how our relationship with politicians has evolved and improved, why cell phones have improved our interaction with our surroundings, not hindered it, how mobile devices are enabling us to better monitor and enhance our personal health. *Text Me* is a fascinating, funny, entertaining exploration of how our mobile society is changing the way we are behaving, reacting, thinking, learning, parenting, dating, having sex, eating, worshipping, exercising, and buying. It will challenge, surprise, provoke, and inspire you. Yes, the number on the cover is real. Text B. Bonin Bough at 646-759-1837 with your answers to any of the questions called out throughout the book. He will text back with his thoughts.
