Religion and Sport in North America Jeffrey Scholes, Randall Balmer, 2022-09-13 From athletes praising God to pastors using sport metaphors in the pulpit the association between sport and religion in North America is often considered incidental Yet religion and sport have been tightly intertwined for millennia and continue to inform shape and critique one another Moreover sport rather than being a solely secular activity is one of the most important sites for debates over gender race capitalism the media and civil religion Traditionally scholarly writings on religion and sport have focused on the question of whether sport is a religion using historical philosophical theological and sociological

insights to argue this matter While these efforts sought to answer an important question contemporary issues related to sports were neglected such as globalization commercialization feminism masculinity critical race theory and the ethics of doping This volume contains lively up to date essays from leading figures in the field to fill this scholarly gap It treats religion as an indispensable prism through which to view sports and vice versa This book is ideal for students approaching the topic of religion and sport It will also be of interest to scholars studying sociology of religion sociology of sport religion and race religion and gender religion and politics and sport in general

Baby Bumps Amy Sprenger, 2012-06-29 From the author of the award winning blog Snarky Mommy comes a book that will make every woman who has ever been pregnant pee with laughter not that that's hard Wearing her highest heels and hottest pregnancy jeans Amy Sprenger marches into her doctor's office beverage in hand ready to finally see whether her baby is a boy or a girl Sure sure this appointment is supposed to be about checking the health of the baby but everyone who's ever been there knows it's really about looking for what lays or doesn't lay between the legs So when the doctor tells her she has an incompetent cervix Amy becomes immediately offended on behalf of her reproductive organs Is that just a politically correct way of saying her cervix sucks Unfortunately as she's soon to learn it's a lot more than that The only way to keep that baby from falling out on the sidewalk probably in front of Starbucks is for her doctor to stitch her cervix closed and for Amy to stay in bed for the next four months Four months that are carefully detailed in this memoir A memoir that while basically true has been embellished with Amy's signature brand of humor and hilarity With more time off than a castoff contestant on *The Bachelor* Amy takes pen to paper and settles in for the ride But instead of sitting around eating bonbons she's popping hypertension drugs to stave off preterm labor And complications Oh she's got your complications She's gut rehabbing her house Her mother moves in to care for her Her husband takes a mancation while she's stuck in the hospital And every time she has a contraction she's convinced it's *The Big One* Living by the adage that laughter is the best medicine Amy fumbles her way through a series of sometimes serious and usually embarrassing situations And just to be clear using a bedpan qualifies as both serious and embarrassing Amy Sprenger's foray into factual fiction is a hilarious and sometimes poignant look at high risk pregnancy from her view at the end of the bed Sprenger offers a fresh and funny voice that readers will love New York Times bestselling author Jen Lancaster

The Age of Football David Goldblatt, 2019-09-05 The epic exploration of football in the twenty first century through the prism of sociology politics and economics by David Goldblatt the critically acclaimed author of *The Ball is Round* David Goldblatt is not merely the best football historian writing today he is possibly the best there has ever been Dominic Sandbrook Sunday Times In the twenty first century football is first First among sports themselves but it now commands the allegiance interest and engagement of more people in more places than any other phenomenon In the three most populous nations on the earth China India and the United States where just twenty years ago football existed on the periphery of society it has now arrived for good Nations peoples and neighbourhoods across the globe imagine and invent themselves

through playing and following the game In *The Age of Football* David Goldblatt charts football's global cultural ascent its economic transformation and deep politicization taking in prison football in Uganda and amputee football in Angola the role of football fans in the Arab Spring the footballing presidencies of Bolivia's Evo Morales and Turkey's Recep Erdogan China's declared intention to both host and win the World Cup by 2050 and the FIFA corruption scandal Following the intersection of the game with money power and identity like no sports historian before Goldblatt's sweeping story is remarkable in its scope breathtaking in its depth of knowledge and is a brilliantly original perspective of the twenty first century It is the account of how football has come to define every facet of our social economic and cultural lives and at what cost shaping who we think we are and who we want to be

The Top Books of the Year Fantasy Football Update The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Fantasy Football Update : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Fantasy Football Update : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
