Unfinished Business Jack McCallum, 2013-10-01 NEW YORK TIMES bestselling author Jack McCallum DREAM TEAM gives an inside look at the legendary Boston Celtics during a season of change One of the five best NBA books ever written Bill Simmons ESPN In the 1990 91 basketball season the Boston Celtics were a team in transition both on and off the court Jack McCallum also the author of the critically acclaimed SEVEN

SECONDS OR LESS chronicled this crucial year from the back room planning on draft day to Larry Bird's unforgettable effort in the postseason. With aging superstar Bird nearing the end of his career, the season was filled with glorious highs and devastating lows. McCallum gets up close and personal with the players and management from this storied franchise, showing the larger-than-life characters in a rarely seen light. The day-to-day drama of Bird's aching back plays in concert with the drumbeat of banter from his frontcourt partner Kevin McHale. The book reveals the deep bonds and sometimes deeper rivalries of the locker room and also provides an inside look at a league that was entering its Golden Age. **Sports**

Capitalism Frank P. Jozsa, 2017-11-28. The book focuses on how, when, where, and why the US-based professional sports leagues extend their brands and penetrate markets in nations across the globe. The book examines the strategies, progress, and expectations of each league despite the cultural, economic, and political barriers that exist between and within countries and areas. It offers a model of the sports business and where appropriate, the emergence, evolution, and growth of prominent women's sports leagues are documented. This book is unique as there are no other academic publications that study and report the global ambitions of this special group of organizations in one volume. Readers such as college and university sports history, management, marketing, and international business professors, students, and researchers can use and apply the book as either a teaching supplement, reference, and/or literature source. It will also appeal to targeted groups beyond the academic community with strategic economic incentives to learn about sports capitalism, such as sports entrepreneurs and league officials. **THE COMPREHENSIVE GUIDE TO FLIPPING CARDS FOR PROFIT** Jody B.
