warning it's an essential educational tool that exposes the brutal reality of romance fraud and urges us all to take it seriously. This book is a powerful call to action challenging us to replace judgment with empathy and ignorance with awareness.

Book Review 1 Beth Hyland's *Diary of a Romance Scam* is a raw, courageous and deeply human story that exposes the psychological warfare behind romance fraud. As someone who has studied manipulation and social engineering for over two decades, I can tell you this book is not just a personal memoir; it's a masterclass in how emotional abuse is weaponized by skilled criminals. Beth's vulnerability and strength in sharing her experience will not only educate but empower readers to recognize red flags, protect themselves, and begin healing. This is a must-read for anyone who thinks it could never happen to them.

CHRISTOPHER HADNAGY, Author, CEO of Social Engineer LLC and The Innocent Lives Foundation.

Book Review 2 Beth Hyland's book on romance scams is a powerful personal look at what it's like to be caught in one of these devastating cons. She doesn't just break down how the scam works; she takes you through the emotional rollercoaster of trust, betrayal, and heartbreak that so many victims experience. But what makes this book stand out is that Beth doesn't stay in the darkness. Instead, she turns her story into something bigger: a mission to educate, warn, and empower others so they don't have to go through what she did. It's raw, eye-opening, and ultimately a testament to resilience and hope.

Small Business and Entrepreneurial Development in Africa Robert E. Hinson, Doreen Anyamesem Odame, Eric Kwame Adae, Kwame Adom, 2023-10-31. This book explores the issues around small business and entrepreneurial activities in Africa within the context of frequent collapse of businesses, seizures by governments, lack of access to capital, and raw materials, as well as the reliance on the informal sector. All these issues, the Editors argue, have been exacerbated by the advent of the COVID-19 pandemic. However, entrepreneurship must be at the heart of efforts to transform Africa's economic prospects to ensure sustained economic growth and decent work for all. In looking at the development of entrepreneurship for Africa's growth contributors to this edited collection take an evolutionary approach by focusing on entrepreneurial intentions where entrepreneurial ideas are formed, customer management which is central to all entrepreneurial business success, and by also focusing on local and entrepreneurial business development. The book then ends with a discussion around technological innovations in small business development in Africa. Covering topics such as social entrepreneurship.
