Sensing Machines Chris Salter, 2022-04-19 How we are tracked surveilled tantalized and seduced by machines ranging from smart watches and Roombas to immersive art installations Sensing machines are everywhere in our world As we move through the day electronic sensors and computers adjust our thermostats guide our Roombas count our steps change the orientation of an image when we rotate our phones There are more of these electronic devices in the world than there are people in 2020 thirty to fifty billion of them versus 7.8 billion people with more than a trillion expected in the next decade In *Sensing Machines* Chris Salter examines how we are tracked surveilled tantalized and seduced by machines ranging from smart watches and mood trackers to massive immersive art installations Salter an artist scholar who has worked with sensors and computers for more than twenty years explains that the quantification of bodies senses and experience did not begin with the surveillance capitalism practiced by Facebook Amazon Netflix and Google but can be traced back to mathematical and statistical techniques of the nineteenth century He describes the emergence of the sensed self investigating how sensor technology has been deployed in music and gaming programmable and immersive art environments driving and even eating with e-tongues and e-noses that can taste and smell for us Sensing technology turns our experience into data but Salter's story isn't just about what these machines want from us but what we want from them new sensations the thrill of the uncanny and magic that will transport us from our daily grind A+, 1988

MotorBoating, 1926-07 **Signal**, 2010 *EX-THE-C* Hadassah Ru, 2022-04-15 TALES OF ONE WOMAN'S JOURNEY WITH GOD THROUGH SPIRITUAL WARFARE at a relatively young age Hadassah Ru began a quest to discover if God was indeed real She started out attempting to read the Bible and visiting local churches However Hadassah felt like such an outsider She didn't quite fit in nor was she welcomed at some Hadassah found it equally difficult to find other inquisitive

seekers with whom she could journey together to uncover the truth For this reason Hadassah stopped seeking God The enemy took this as an opportunity to capitalize by sending a counterfeit person into her life which led to a series of unfortunate events resulting in a domino effect that upended her life Even though Hadassah Ru concluded her quest for answers about Him God hadn't given up on her In fact He waged war for Hadassah's life She's certain she's not the only person who has lost themselves in peculiar circumstances involving treacherous people She had more questions fewer inadequate answers and even less common ground with the church Because of this Hadassah Ru believes the Lord led her to write a series of memoirs recounting major life altering incidents she's endured This book is not a coming of age story This is a put your boxing gloves on take your blinders off and war for your life type of book It is a succession of true life and at times unfathomable situations that set Hadassah on a course headed straight for hell based on the adverse sinful decisions she'd made The Lord has encouraged her to share her testimonies with the hopes of being a light that directs the lost to the only one who can save them from their sins
