The NHL's Mistake by the Lake Gary Webster, 2021-09-23 The Cleveland Barons should never have existed Born when the National Hockey League's California Golden Seals another team that should never have existed were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio the Barons were an embarrassment to the city and to the NHL The only thing the team had going for them was the state of the art arena they played in which was all but empty for nearly every game they played This book chronicles the Barons two regrettable seasons a case study in what happens when an ill conceived professional sports team created in an expansion splurge is moved in an effort to save it to a city that doesn't really want it

Robertson,Carl T. Madden,2024-06-06 The quarter century comprising the Original Six years of the National Hockey League is often fondly discussed by the sport s scholarly fans However one surprisingly underappreciated jewel from that era is the 1951 Stanley Cup final series between the Toronto Maple Leafs and the Montreal Canadiens It provided something never seen before in the history of the NHL and has not been seen since every one of the five games required a dramatic sudden death overtime period to determine a winner This book takes an in depth look at this exciting conclusion to the 1950 51 NHL season as well as an examination of the two playoff semifinal series and a general overview of the goings on from the 210 game regular season featuring many amusing anecdotes As an added bonus a special chapter discusses the short life baffling disappearance and untimely death of Toronto defenseman Bill Barilko just four months after he notched the Cup winning tally in April Also examined is the recent controversy about who really possesses the historic puck with which Barilko scored his famous goal *The National Register of Historic Places* ,1972

The National Register of Historic Places, 1972 ,1973 When the NHL Invaded Japan Steve Currier,2022-07-08 When the NHL announced in early 1976 that its two worst teams the Washington Capitals and Kansas City Scouts would travel to Japan for a four game exhibition series dubbed the Coca Cola Bottlers Cup fans and media were baffled The Capitals

and the Scouts were both expansion teams with a combined 46 wins 236 losses and 38 ties in their first two seasons stats made more dismal when considering seven of those wins were against each other Yet lagging so hopelessly behind the rest of the NHL they were perfect for a one off event on the other side of the globe The series was an eye opening success Players skated on an Olympic swimming pool ringed with rickety boards hung with fishing nets that boomeranged pucks into their faces as curious Japanese fans gasped at the gap toothed Canadians wrestling on the ice Filled with rare photos and player recollections this book tells the story of how two league doormats became hockey heroes half way around the world 200

Joining the Clubs J. Andrew Ross, 2015-05-21. How did a small Canadian regional league come to dominate a North American continental sport? *Joining the Clubs: The Business of the National Hockey League to 1945* tells the fascinating story of the game off the ice, offering a play by play of cooperation and competition among owners, players, arenas and spectators that produced a major league business enterprise. Ross explores the ways in which the NHL organized itself to maintain long term stability, deal with its labor force and adapt its product and structure to the demands of local, regional and international markets. He argues that sports leagues like the NHL pursued a strategy that responded both to standard commercial incentives and also to consumer demands that the product provide cultural meaning. Leagues successfully used the cartel form, an ostensibly illegal association of businesses that cooperated to monopolize the market for professional hockey, along with a focus on locally branded clubs to manage competition and attract spectators to the sport. In addition, the NHL had another special challenge: unlike other major leagues, it was a binational league that had to sell and manage its sport in two different countries. *Joining the Clubs* pays close attention to these national differences as well as to the context of a historical period characterized by war and peace, by rapid economic growth and dire recession, and by the momentous technological and social changes of the modern age.

Breaking the Ice Cecil Harris, 2007. Black hockey players from Grant Fuhr to Jarome Iginla speak candidly for the first time about their experiences in the NHL. Since 1958, thirty-seven black men have played in the National Hockey League. Out of the 600 players active today, fourteen are black. *Breaking the Ice: The Black Experience in Professional Hockey* is the first book to tell the unique stories of black hockey players, how they overcame or succumbed to racial and cultural prejudices to play Canada's favourite pastime. Sports journalist Cecil Harris outlines in detail the personal and professional battles as well as the victory.

Sports Capitalism Frank P. Jozsa, 2017-11-28. The book focuses on how, when, where and why the US-based professional sports leagues extend their brands and penetrate markets in nations across the globe. The book examines the strategies, progress and expectations of each league despite the cultural, economic and political barriers that exist between and within countries and areas. It offers a model of the sports business and where appropriate, the emergence, evolution and growth of prominent women's sports leagues are documented. This book is unique as there are no other academic publications that study and report the global ambitions of this special group of organizations in one volume. Readers such as college and university sports history, management, marketing and international business professors, students and researchers can use and apply the book as either a teaching supplement, reference and/or literature source. It will also appeal to targeted groups.
