Empires of Ideas William C. Kirby, 2025-05. A Marginal Revolution. Best Non-fiction Book. A fascinating book. Steven Mintz. Inside Higher Ed. Substantive on virtually every page, the author actually understands how universities work. An impressive performance. Tyler Cowen. Marginal Revolution. With his extraordinary breadth of curiosity and equal ease in the histories and cultures of these countries, only Bill Kirby could have written this book. It is must reading for everyone who cares about universities, a thought-provoking lesson in the strange mix of durability and vulnerability that defines this key modern institution. Richard Broadhead, President Emeritus, Duke University. William Kirby's new book is unique. I know of nothing else on higher education that resembles it in breadth, scope, and sheer comparative information and analysis. Anyone interested in the nature of universities during the past two centuries will want to read this volume. Neil L. Rudenstine, President Emeritus, Harvard University. Today, American institutions dominate nearly every major ranking of global universities. Yet in historical terms, America's preeminence is relatively new, and there is no reason to assume that US schools will continue to lead the world a century from now. Indeed, America's supremacy in higher education is under great stress, particularly at its public universities, while Chinese universities are on the ascent. Will China threaten American primacy? *Empires of Ideas* looks to the past two hundred years for answers, examining the successes of leading universities to determine how they rose to prominence and what threats they currently face. William C. Kirby gives special attention to the challenges that Chinese academic leaders must confront: reinvesting in undergraduate teaching, developing new models of funding, and navigating a political system that may undermine a true commitment to free inquiry and academic excellence.

College Rankings Tips: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
