It explores communication within and for sport in all its theoretical, conceptual, cultural, behavioral, practical and managerial aspects, tracing the contours of this expansive transdisciplinary and international discipline and demonstrating that there are few aspects of contemporary sport that don't rely on effective communications. Including contributions from leading sport media and communications scholars and professionals from around the world, the book examines emerging new and social media, traditional print, broadcast and screen media, sociological themes in communication in sport and management issues at every level from the interpersonal to communication within and between sport organisations and global institutions. One Batter One Pitch Michael Connelly, 2008-12-09 The novel *One Batter One Pitch* is a sequel to *An Informal Boston Education* which chronicled the chaotic, frenetic and hilarious career, social and romantic missteps of quirky wisecracking ballplaying, weightlifting and beer drinking young Boston CPA Rocky Collins until, with the help of a good woman and promising new job, he finally gets his life under control. But now he's approaching middle age, frustrated with limiting age related physical issues and feeling increasingly out of tune with the culture and worst of all, the changing competitive landscape facing the company he's been successful with for twenty years has become an insurmountable problem. He's working too hard and long with disappointing results and worrying that despite his rewarding family life and a solid circle of old friends, he's going to end up a failed, essentially numerical man. But his unrelenting drive and determination, intelligence and wit along with the unwavering empathetic support of his equally hard working wife finally have him hooking up with a couple of charismatic, successful Boston venture capitalists who not only appreciate his talent and work ethic but also his imagination and combative Boston Irish humor. He gets his career back on track by helping them turn around a couple of mid size manufacturing companies while also helping found a new independent baseball league with some very unique rules, equipment and playing fields, designing The Penultimate Boston Sports Bar and helping a black Boston area youth minister build a Life Training and Development Center.
