Pink Passion A ruling passion motivates pushes stretches encourages inspires and in some instances a ruling passion might even challenge you to reach your full potential Make no mistake about it a ruling passion is much different from a goal In general a goal is a set deadline or time frame establish by the goal setter to complete and accomplish a particular task Normally goal setters classify goals into categories short term and long term For a tantamount of consumers and shoppers once a goal is set it stays at the center of attention until the goal is accomplished Totally different from a goal__putatively a passion so to speak is something that you love to do more than anything else that you do daily Straight forwardly speaking when you have a passion it consumes your every thought it pretty much paints the picture of how you view see and live life A strong feeling longing or desire each of us as consumers and shoppers have different passions__ostensibly even with the various passions available as choices some consumers and shoppers have not found their ruling passion understandably it could take years before a consumer or shopper stumbles upon their ruling passion At any rate that you find your passion a passion or a ruling passion could be just about anything that you love and enjoy to do at home away from the job on vacation and during holidays From shopping to blogging to cooking to singing to acting to dancing it's what you love to do the most it's what motivates pushes stretches encourages inspires and challenges you it's your ruling passion In previous years I have had a passion to try and do many things While in college I rediscovered my passion for the English language and writing Within the past seven years I developed a passion for shopping and blogging 2009 I developed a passion for pink Along with my passion for pink I believe my ruling passion is to be an award winning editor and writer Veritably all passions begin with you__if you have found your ruling passion stick with it share it and create a niche for your passion And for the percentage of you consumers and shoppers who you haven't found your ruling passion start__right now and start doing what you love and enjoy it's not too late **Tokyo Geek's Guide** Gianni Simone, 2017-07-11
