Nestos. My return home Giovanni Scafaro, 2015-10-31 We came into this world as children to go back again to the universe that created us Born to life condemned to leave and finally to go back home This is the Greek principle of nestos the innate need for knowledge that pushes us towards our original place The poem NESTOS My return home deals with the personal journey which every man is called to accomplish an arduous journey that leads to places of serenity joy and inner peace which teaches us to refine the way we look at things to see the good side where others fail seeing only shadows The reference to the concept of nostoi derived from the Greek epic literature is clear but the concept of the return assumes a new value and a new meaning for the author It is a return to a new version of ourselves more aware spiritually enriched by the experience of the journey real or imagined It is from this source of inspiration that Giovanni Scafaro wrote this poem a journey into a world of knowledge which inflicted many sufferings on him but it also gave him the chance to enjoy the pleasure of discovering new worlds made up of light peace and well being

A Return to Modesty Wendy Shalit, 2014-05-20 Updated with a new introduction this fifteenth anniversary edition of A Return to Modesty reignites Wendy Shalit s controversial claim that we have lost our respect for an essential virtue modesty When A Return to Modesty was first published in 1999 its argument launched a worldwide discussion about the possibility of innocence and romantic idealism

Wendy Shalit was the first to systematically critique the hook up scene and outline the harms of making sexuality so public Today with social media increasingly blurring the line between public and private life and with child exploitation on the rise the concept of modesty is more relevant than ever Updated with a new preface that addresses the unique problems facing society now *A Return to Modesty* shows why the lost virtue of modesty is not a hang up that we should set out to cure but rather a wonderful instinct to be celebrated *A Return to Modesty* is a deeply personal account as well as a fascinating intellectual exploration into everything from seventeenth century manners to the 1948 tune Baby It s Cold Outside Beholden neither to social conservatives nor to feminists Shalit reminds us that modesty is not prudery but a natural instinct and one that may be able to save us from ourselves *10 Keys To Marketing Success* Francisco Bujan, Without effective marketing your business misses one core success ingredient These strategies are the core mind sets you need to manifest when planning a marketing strategy Many entrepreneurs will engage into marketing without taking a step back and analyzing what they need exactly to succeed Passion and drive are good but not enough Your marketing needs to be well planned system In this short power kick book I give you the core ideas to succeed **What You Must Absolutely Know Before You Start Marketing Your Business Online** Francisco Bujan,2012-03-15 Online marketing is a JUNGLE It s a super challenging environment which is evolving at the speed of light In this book I give you tons of hints that will save you lots of money and time Most of these facts took me months or years to discover because NO ONE talks about them You have dozens of marketing services like auto responder systems affiliate programs PPC advertizing SEO offers and much more If you simply jump on the first offers that come your way you will waste your time REALLY you need to be smart and speed up your learning curve Believe me if you want to survive and thrive with online marketing you MUST absolutely know the detailed facts I am about to share with you Internet Marketing - These Facts Based On Real Cases And 10 Years of Online Experience Will Save You Tons Of Time And Money!
