Never Lose a Customer Again Joey Coleman, 2018-04-03 Award winning speaker and business consultant Joey Coleman teaches audiences and companies all over the world how to turn a one time purchaser into a lifelong customer Coleman s theory of building customer loyalty isn t about focusing on marketing or closing the sale It s about the First 100 Days after the sale and the interactions the customer experiences While new customers experience joy euphoria and excitement these feelings quickly shift to fear doubt and uncertainty as buyer s remorse sets in Across all industries somewhere between 20% 70% of newly acquired customers will stop doing business with a company within the first 100 days of being a new customer because they feel neglected in the early stages of customer onboarding In **Never Lose a Customer Again** Coleman offers a philosophy and methodology for dramatically increasing customer retention and as a result the bottom line He identifies eight distinct emotional phases customers go through in the 100 days following a purchase From an impulse buy at Starbucks to the thoughtful purchase of a first house all customers have the potential to experience the eight phases of the customer journey If you can understand and anticipate the customers emotions you can apply a myriad of tools and techniques in person email phone mail video and presents to cement a long and valuable relationship Coleman s system is presented through research and case studies showing how best in class companies create remarkable customer experiences at each step in the customer lifecycle In the Acclimate stage customers need you to hold their hand and over explain how to use your product or service They re often too embarrassed to admit they re confused Take a cue from Canadian software company PolicyMedical and their challenge of getting non technical users to undergo a complex installation and implementation process They turned a series of project spreadsheets and installation manuals into a beautiful puzzle customers could assemble after completing each milestone In the Adopt stage customers should be welcomed to the highest tier of tribal membership with both public and private recognitions For instance Sephora s VIB Rogue member welcome gift provides a metallic membership card

private recognition and a members only shade of lipstick for public display In the final stage Advocate loyal customers and raving fans are primed to provide powerful referrals That s how elite entrepreneurial event MastermindTalks continues to sell out their conference year after year with zero dollars spent on marketing By surprising their loyal fans with amazing referral bonuses an all expenses paid safari they guarantee their community will keep providing perfect referrals Drawing on nearly two decades of consulting and keynoting Coleman provides strategies and systems to increase customer loyalty Applicable to companies in any industry and of any size whether measured in employee count revenue or total number of customers implementing his methods regularly leads to an increase in profits of 25 100% Working with well known clients like Hyatt Hotels Zappos and NASA as well as mom and pop shops and solo entrepreneurs around the world Coleman s customer retention system has produced incredible results in dozens of industries His approach to creating remarkable customer experiences requires minimal financial investment and will be fun for owners employees and teams to implement This book is required reading for business owners CEOs and managers as well as sales and marketing teams account managers and customer service representatives looking for easy to implement action steps that result in lasting change increased profits and lifelong customer retention **Run It Like a Business** Aubrey Bergauer,2024-02-06 Featured on Publishers Weekly 2024 Announcement Issue TEDx speaker Aubrey Bergauer the Steve Jobs of classical music reveals how to run a successful arts business in the post pandemic era adapting for profit methods for not for profit goals In the US alone the arts are a 763 billion sector whose 100 000 organizations serve almost every community in the nation There s no reason arts organizations should struggle to make ends meet And now with arts tested strategies from Aubrey Bergauer they won t This foolproof guide shows how to reach new levels of engagement while always putting art first Running your arts organization like a business is your path forward to Grow audiences and keep them coming back again Make our organizations more inclusive Get younger attendees in the seats and on the donor rolls Generate millions more dollars in revenue Continue to create the art we love without the stress of figuring out how to afford it Just because arts organizations are non profits doesn t mean they shouldn t make money it means the money they make goes back to fund the mission whether that s music visual arts theatre dance or one of many other mediums that enrich our lives The for profit world knows how to achieve success across customer engagement user experience company culture the subscription economy technology and media new revenue streams and brand relevance Run It Like a Business provides a powerful proven framework to help all arts organizations revitalize their economic engines and ultimately serve the arts and its patrons Buffettology in Action Sankar Srinivasan,2025-07-15 Unlock the secrets of Warren Buffett s legendary investing style with Buffettology in Action your easy to follow guide to smart long term investing Written in simple English by Sankar Srinivasan a Certified Market Professional of the National Stock Exchange of India this book breaks down Buffett s proven strategies and shows how you can apply them to build your own successful portfolio Whether you re a beginner or a growing investor you ll learn
