Premium Prices: The Psychology of Perceived Value Simon Schroth, 2025-04-02 In the competitive world of business price is often a major differentiator but how do you justify charging premium prices Create a Brand That Commands Premium Prices teaches you how to build a brand that exudes value and authority allowing you to command top tier pricing in any industry This book reveals the secrets behind the psychology of perceived value how customers make purchasing decisions based on more than just price You ll learn how to craft a brand story that resonates emotionally with your audience create premium products or services and deliver exceptional customer experiences that justify high end prices The book also covers pricing strategies positioning techniques and how to use scarcity exclusivity and prestige to elevate your brand in the eyes of your target market Create a Brand That Commands Premium Prices is ideal for entrepreneurs small business owners and marketers who want to stop competing on price and start positioning themselves as premium providers By the end of the book you ll have the tools to elevate your brand increase your margins and attract high value clients who are willing to pay for quality

A Map of the New Normal Jeff Rubin, 2025-05-13 NATIONAL BESTSELLER Bestselling economist Jeff Rubin warns that the shock inflation of 2021 is the front of a perfect storm of war supply chain disruption geopolitical realignment domestic upheaval and energy scarcity that will change everything During the pandemic government deficits skyrocketed to record highs while central banks primed the printing presses and the time has come to pay for it The ramifications of international COVID 19 spending could potentially last for decades and inevitably one of the first consequences will be that

central banks will lose control of interest rates and subsequently growth and inflation targets The genie will be out of the bottle That is just the first symptom of a series of cascading upheavals Supply chain disruptions have already shown the vulnerability of the globalist model that has fueled growth for the past decades War has not only shown the fragility of the status quo but has revealed diplomatic and economic rifts that promise to shift trading patterns At the same time the precarity of the US dollar underlines the life or death importance of foreign markets and resources energy in particular And consolidation of a Eurasian bloc from Russia to China and encompassing old enemies like Iran and former US ally Saudi Arabia hint that the upheaval of COVID 19 was just the beginning Tracking trade wars and kinetic wars central banks and runs on banks pipelines blown up and startups knocked down A Map of the New Normal gives us a glimpse of a near future that will look very different from the recent past It reminds us that our mortgage rates and job security our grocery bills and investments are all tied to events set in motion by governments corporations and black swans around the world **Closing**

emphasizes that in today's competitive landscape a great product alone isn't enough; customers crave enhanced value. By mastering offer architecture, businesses can transform ordinary transactions into powerful experiences, boosting sales conversions and fostering brand loyalty. The book delves into bonus amplification, strategic bundling, and offer architecture, providing a framework for maximizing perceived value. For example, instead of simply discounting, businesses can bundle complementary products or create limited-time offers to incentivize immediate action. Offer Stacking distinguishes itself by presenting a step-by-step methodology for designing and optimizing offers, moving beyond basic freebies to a strategic approach aligned with business goals. The book begins by exploring value perception before progressing through bonus strategies, bundling techniques, and offer design. It culminates with case studies and templates for various industries, ensuring readers can implement these strategies immediately. By thoughtfully structuring offers, businesses can minimize reliance on costly marketing campaigns and build lasting customer relationships.

A Change of Heart at the Vintage Dress Shop Annie Darling, 2024-06-27 I loved this! Fell in love with the characters and loved the camaraderie between the Vintage Dress Shop staff. A lovely summery read. Highly recommend. Reader review: Cressida Collins is the queen of makeovers. With a well-placed stitch, button, or seam, she can transform any frock in The Vintage Dress Shop and give customers their Cinderella moment. Like her beautifully organised workroom under the eaves, Cress's life away from the shop is just as orderly and mapped out. But when her boyfriend of fifteen years drops a bombshell, it explodes all the carefully laid plans Cress had for her future. It's going to take more than needle and thread to put Cress's own life back together. Will she ever be brave enough to say goodbye to her old dreams and start over? But after designing a dress for a customer and transforming her into the woman she always wanted to be, Cress realises that it can be fun not to follow a pattern. Then there's her blossoming friendship with Miles, a very handsome and very sexy film director. Cress is about to discover that leaving a few loose threads might be the best way to mend her broken heart. A wonderfully uplifting, funny, and heartfelt summer romance that will whisk you away to the haven of The Vintage Dress Shop. Perfect for fans of Sarah Morgan, Heidi Swain, and Phillipa Ashley. Everyone is falling in love with *A Change of Heart at the Vintage Dress Shop*. A fab book. Absolutely loved it. Great to be back in the vintage clothes shop. There are great characters. The author's love of London is fab. A great read. Reader review: A lovely feel-good read. It has beautiful vintage dresses, a coming-into-self-confidence, and the finding of love. A whirlwind adventure. I absolutely love Miles; he is the perfect book boyfriend. Reader review: Funny with brilliant characters, which made it a real page-turner for me. This book is not to be missed. Reader review: A wonderful romantic novel, which is an ideal summer read. Reader review:
