Apple Tv 2017: An Easy Guide to the Best Features Michael Galeso, 2017-01-11 Apple TV is an amazing media player that has been developed and marketed by Apple Inc. The service is used to connect users to digital content from many sources and stream this to their television screens. The service is also capable of receiving digital content from the different iOS apps though the AirPlay feature or directly from the iTunes Store. Content can also be received from Netflix, Now TV, Hulu, Plus YouTube and Vevo. It can also receive content from the major American sporting leagues and can be linked with Siri to allow users to live stream the events they would like to see. *Creative Strategy and the Business of Design* Douglas

Davis, 2016-06-14 The Business Skills Every Creative Needs Remaining relevant as a creative professional takes more than creativity; you need to understand the language of business. The problem is that design school doesn't teach the strategic language that is now essential to getting your job done. *Creative Strategy and the Business of Design* fills that void and teaches left brain business skills to right brain creative thinkers. Inside you'll learn about the business objectives and marketing decisions that drive your creative work. You already have the creativity; now it's time to gain the business insight. Once you understand what the people across the table are thinking, you'll be able to think how they think to do what we do.
