For example *The Rear View Mirror* tells the story of Grace who remembers her father's advice for driving in the snow: find a snow plow and follow it. When she encounters a blizzard she does this an hour later; the driver stops to make certain she is all right as he had plowed a large parking lot, was moving on to the next business, and was concerned when he noticed that she was following him. We often become comfortable thinking that we can just follow the snow plow when in truth we need to learn to trust God and let Him lead the way. *Yesterdays Reflections* is an inspiring collection that reminds us that we are Christ's ambassadors and that God expects each of us to live and act as though He is making His appeal through us. The best sermons are not preached; they are lived. *The Unconventional Thinking of Dominant Companies* Jim Bramlett, 2018-07-12

Have you ever wondered what separates a good company from a great one or a great one from a dominant company? Do you know why Amazon completely dominates the e-commerce market? Why does Uber lose money and yet get valued at over fifty billion dollars? Why does Netflix crush its competition? Dominant companies think differently. They engineer their company completely around the customer and especially the customer experience. Whether they realize it or not, dominant companies use a formula that conventional companies don't. In this book you will learn about the hassle quotient and how companies that use it can dominate or take a good company to greatness or take a great company and dominate its market. **The Murder Lawyer** Piper Punches, 2020-12-05

She's eager to take on more high-profile courtroom cases, but her clients' twisted family secrets put her in the media's crosshairs. With all the attention, it isn't long before threats against her family escalate, and not everyone has the same idea of justice as Luna does. Luna's clients aren't the only ones with dark pasts. Her husband has a secret too, and it could shatter her world. *The Murder Lawyer* is a fast-paced, high-stakes legal drama that challenges the reader's idea of justice.
