Digital Marketing (English Edition) Dr. Vishnu Shankar,Anurag Sharma,2023-03-14 Buy E Book of Digital Marketing English Edition Book For B Com 4th Semester of U P State Universities

Painting, Photography, and the Digital Carl Robinson,2022-10-07 This anthology investigates the interconnections between painting photography and the digital in contemporary art practices It brings together 15 contributors including internationally acclaimed artists Matt Saunders Clare Strand Elias Wessel and Dan Hays to write about a diverse range of art making involving medium cross over Topics discussed here include reflections on the painted on photograph reordering photographs into paintings digital collage printing digital landscapes onto recycled electronic media viewer immersion in painted virtual reality VR worlds photography created from paint and the truth of the mediums Underpinned by significant theoretical concepts the volume provides unique insights into explorations of the mediums interconnectivity which questions the position of the traditional genres As such this book is essential reading for practitioners theorists and students researching the nature of painting photography and digital art practices today

Digital Marketing For Business 2 Books in 1 Jonathan Page,Michael Gates,2020-12-11 Social media

has traversed far greater heights than simply being a medium for user generated content Today it s a tool for consumer empowerment we all witness big conglomerates being brought to their knees by that one dissatisfied tweet or widely shared post and a gratifying brand consumer partnership Even companies that have long been dismissing social media as frivolous and flippant have started taking note of its benefits They ve realized that social media is not limited to games and light hearted opinion polls which are also hugely successful in creating affable brands but can involve more serious discussions and insights that are invaluable when it comes to building strong brands Unlike traditional marketing mediums social media doesn t swallow a huge chunk of your advertising and promotion budget You don t need to create cost intensive and ineffectual marketing plans that leave you broke All you need is some creativity perceptiveness and an intuitive understanding about your audience s needs More than sharp business acumen you need a human touch Social media gives your brand a human angle without breaking the bank Currently social media marketing is the most powerful tool that can help businesses to reach customers and prospects whether small or not But with over 88 percent of all companies selling on at least one social media platform you can see how tempting it can be for the company to get lost in all that noise To achieve more organic visibility meet committed brand fans and even generate more sales and leads on your company social media pages you ll need a succinct marketing strategy to rise to the top Thankfully this book offers just that for you The book will show you how to promote your brand on social media peeling through the layers of the most popular social media sites to get to the heart of what makes an online marketing campaign effective Whether you are either active on social media or have never had a Facebook account this book will lead your social media marketing campaign every step of the way through building your account and improving your profile to posting content that your audience will want to connect with and the different ways to advertising and promoting your brand for more views and followers We will look at Facebook YouTube Instagram LinkedIn and Twitter in this book and show you that given the fierce competition social media marketing can be effective in your business A strong presence on social media is something that the company can t afford to miss Continue reading to see how to create a plan that will bring thousands of followers to your profile instantly Instagram Marketing Algorithms The way brands communicate with their existing and target audience has undoubtedly transformed One of the main reasons for this transformation is the increase in the popularity of social networking platforms These days an increasing number of brands are using visual media for communicating their brand s message Social media has certainly revolutionized our lives Instagram has stood the test of time and is now one of the most popular social networking platforms today So if your brand isn t already on Instagram then there is no time like the present to get started Instagram has been around for a while but not a lot of people know how to make the most of its features The creators of this platform keep introducing new features along with changes to the algorithm So it is quintessential that you stay on top of all the updates In this book you will learn about the things you need to increase your following on Instagram so you can maximize your profits You will be given

information about the different benefits you can reap by using Instagram You will learn about various tips for choosing the perfect Instagram name and tricks to optimize your brand s Instagram profile Apart from this you will also learn about specific strategies for building your niche on Instagram and thoroughly engage your audience Marketing on Instagram and how you can increase your following are also discussed in detail in this book A combination of all these factors will ensure that your brand makes the most of all that Instagram has to offer You will want to make sure that whatever strategy you start to use on Instagram is going to keep the focus on the brand that you have built and how that brand sees the world Instagram is great for sharing videos and photos so make sure that when you connect the business with your followers make sure that it stays consistent with your brand rather than straying away or showing things that just don t go together Use your brand or company name in hashtags the hashtags that you pick don t have to be complicated If you already have a pretty good following on Instagram or your brand name is well known go ahead and use this as one of your hashtags This will make it easier for your followers to find you because they can just search the name and find some of your posts Make a follower famous it is not just about your followers checking out your posts it is about how you interact with your followers Take the time to look over the pages of your followers and then like and share some of their posts This helps to show the customers that you really appreciate them because you are acknowledging their cool posts and sharing them with others on your page Be careful with this one though because some may be personal and you should always ask for permission beforehand if you are unsure whether they would like it shared or not So if you are ready to learn more then let us get started immediately

Proceedings of the 7th International Conference on Social and Political Sciences (ICoSaPS 2022) Leni

Winarni,Takuo Sasaki,Suyatno Suyatno,Aulia Suminar Ayu,2023-02-10 This is an open access book This conference will discuss transformation issues in various fields along with the COVID 19 crisis in the world During these two years of this pandemic the world faced many significant changes These changes have impacted various aspects of life not only on a small scale in people s everyday life but also on a large scale that changes the social structure of society in the global world The keywords in this transformation are adaptation resilience and innovation Each party involved in the change is required to make adjustments so as not to be left behind The important aspect is to what extent these parties come up with new findings to survive amid the pace of this rapid global transformation By focusing on transformation issues this conference will bring scholars practitioners and policy makers from various disciplines to discuss changes in various fields of life during the COVID 19 pandemic and in the future This conference is also expected to be a medium for disseminating research findings related to issues of change in various fields including but not limited to social economic cultural educational political and government gender environment religion communication and international relations **ICSSED 2020** Muhammad Nur Sa'ban,Benni Setiawan,Danu Eko Agustinova,Sutanto Trijuni Putro,Robbi Rahim,2020-11-04 The theme of the conference is Reconstructing Morals Education and Social Sciences for Achieving Sustainable Development Goals This theme was

formulated due to several considerations First the symptoms of moral decline that have the potential to destroy the nation Morals guide humanity towards truth and civilization The phenomenon of the dehumanization process in the industrial era that pushed people to be part of abstract societies tends to ignore humanity The education process as a humanitarian system is increasingly marginalized especially during discussions about the industrial revolution 4.0 and Society 5.0 The conference placed six sub themes for speakers and participants to share ideas namely Social Sciences and Laws History and Cultural Studies Interdisciplinary Studies Morals and Humanities Policy Politics and Communication Education The committee has received 195 abstracts from prospective speakers However there are only 80 abstracts that are eligible to be presented at this conference

Using Social Media to Build Library Communities Scott W.H. Young,Doralyn Rossmann,2017-09-01 Using Social Media to Build Library Communities A LITA Guide is a community building action manual for practitioners across the profession By bringing together an array of perspectives to explore community building through social media this book serves as the go to resource for professionals who want to take social media beyond marketing and promotion to build an inclusive and engaged community of library users Each chapter contains clear explanations of important topics for building communities through social media and readers will come away with cohesive approaches for their own libraries Using Social Media to Build Library Communities demonstrates that an energetic and committed community exists to help and guide fellow community builders

Thomsett,2019-12-02 Emergent innovative financial technologies are profoundly changing the way in which we spend move and manage our money unlike ever before and traditional retail banks are facing stiff competition The global financial crisis in 2007 2009 led to large losses and even the collapse of a significant number of established banks shaking the trust of financial customers worldwide The Digital Banking Revolution is an insightful look at how financial technology and the rapid rise of financial technology companies have brought welcome changes offering flexibility to the banking industry The book offers a unique perspective on the consumerization of retail banking services It delves into the many changes that financial innovations have brought about in banking the main financial disruptors the new era of banking on the go and financial innovations from countries around the world before concluding with a discussion on the future of banking including optimizing structures new strategies for business outcomes and human resources in the digital era

Food Instagram Emily J. H. Contois,Zenia Kish,2022-05-31 Winner of the 2023 Association for the Study of Food and Society Book Prize for Edited Volume Image by image and hashtag by hashtag Instagram has redefined the ways we relate to food Emily J H Contois and Zenia Kish edit contributions that explore the massively popular social media platform as a space for self identification influence transformation and resistance Artists and journalists join a wide range of scholars to look at

food's connection to Instagram from vantage points as diverse as Hong Kong's camera-centric foodie culture, the platform's long history with feminist eateries and the photography of Australia's livestock producers. What emerges is a portrait of an arena where people do more than build identities and influence. Users negotiate cultural, social and economic practices in a place that, for all its democratic potential, reinforces entrenched dynamics of power. Interdisciplinary in approach and transnational in scope, Food Instagram offers general readers and experts alike new perspectives on an important social media space and its impact on a fundamental area of our lives.
