Alorh,2025-09-15 In an era where our lives are increasingly intertwined with digital platforms The Digital Self Redefining Identity in the Age of Social Media Virtual Worlds and AI explores the profound impact of technology on self perception social interaction and personal identity This book delves into the evolution of the digital self examining how social media online communities and virtual spaces have reshaped the way we present ourselves and engage with the world Blending psychological theories with real world examples this book unpacks the dynamics of online self expression social validation and digital reputation It navigates the tensions between authenticity and curation the pressures of social comparison and the shifting boundaries between our real and virtual identities For anyone curious about how technology influences human behavior or for those looking to understand their own digital presence more deeply The Digital Self Redefining Identity in the Age of Social Media Virtual Worlds and AI is a thought provoking and insightful journey into the future of identity in a hyper connected world Disability and Fandom Katherine Anderson Howell,2025-03-19 Disability and Fandom discusses the accessibility and welcome of fan spaces and it explores how disability functions in fan practices In a readable personal style Katherine Anderson Howell shows the overlaps between disability studies and fan studies analyzing how fandom operates in physical and digital fan spaces She argues that it is time for fan studies to let go of the idea of fans in general as marginalized or as powerless groups Anderson Howell examines how key fandom platforms including cons Tumblr Archive of Our Own Instagram Reddit and TikTok set up user interfaces that may mask their true values potentially decreasing access and creating a system by which disability remains stigmatized Readers will find case studies of fan fiction disability influencers anti fans trolls and celebrities The argument is made for incorporating disability into the analytical tools of fandom so that we may begin with better tools and better questions *Women We Love* SooJin Lee,Kate Korroch,Liew Kai Khiun,2023-09-19

Women We Love Femininities and the Korean Wave is an edited volume exploring femininities in and around the Korean Wave since 2000 While studies on the Korean Wave are abundant there is a dearth of thought put toward the female identifying stars characters and fans who shape and lead this crucial cultural movement This collection of essays is one of the first works to focus on gender and the key female actors of this global phenomenon Using women as an inclusive term extending to all those who self define as women this volume examines the role of women in K pop and K drama industries and

fandom spaces encompassing crucial intersectional topics such as queering of gender dissemination of media and fan culture In addition to the communities engaged with visual culture of the Korean Wave the audience for Women We Love will reflect the contributors to this text They are K pop and K drama fans queer international they are also academics of Asian histories sociology gender and sexuality art history and visual culture The chapters are playful intersectional and will be adapted well into syllabi for media studies gender studies visual culture studies sociology and contemporary global history Women We Love goes far beyond the dyad of the flower boy Hallyu star and his female fan to offer readers an illuminating discussion of plural femininities in the Korean Wave since the turn of the millennium The essays will answer many burning yet heretofore unanswered questions about the affective resonances and political significance of Korean popular culture s gender dynamics which have fascinated puzzled and at times frustrated many fans and observers Rigorously interdisciplinary yet grounded in textual detail historical context and material reception practices this is a timely and valuable contribution to the study of gender fandom and global media Michelle Cho University of Toronto This is a provoking and fascinating book one of the most awaited books in Hallyu studies Drawing from a multitude of feminist theories and case studies this edited volume not only provides captivating and much needed discussions but also critically expands the current debates in gender studies feminism studies and fan studies This book is vital literature for researchers students and practitioners who are willing to advance their understanding of the Korean Wave from a new scope and angle Dal Yong Jin Simon Fraser University [ECSM 2020 8th European Conference on Social Media](#) Dr Christos Karpasitis,2020-07-01 These proceedings represent the work of contributors to the 7th European Conference on Social Media ECSM 2020 supported by UCLan Cyprus Larnaca on 2 3 July 2020 The Conference Chair is Dr Christos Karpasitis and the Programme Chair is Mrs Christiana Varda from the University of Central Lancashire Cyprus UCLan Cyprus ECSM is a relatively new but well established event on the academic research calendar Now in its 7th year the key aim remains the opportunity for participants to share ideas and meet The conference was due to be held at UCLan Cyprus but unfortunately due to the global Covid 19 pandemic it was moved online to be held as a virtual event The scope of papers will ensure an interesting conference The subjects covered illustrate the wide range of topics that fall into this important and ever growing area of research *Understanding Reddit* Elliot T. Panek,2021-12-24 This book offers a comprehensive scholarly overview of Reddit one of the most popular and least studied social platforms of the early 21st century The book inspires new ways of thinking about Reddit considering it from multiple perspectives through a historical lens as a site where identity is forged as a democracy as a community and as a news aggregator and distributor By bringing theories from computer mediated communication communication studies and sociology to bear on original large scale observational analyses of Reddit s communities this book provides a uniquely comprehensive overview of the platform s first 15 years Understanding Reddit will help us make sense of how rapidly growing communities function in an era of mass online anonymity Serving both as a primer on how social behavior on Reddit plays out and as a way of locating it within

multiple theoretical traditions the book will offer important insights to scholars and students in the disciplines of communication media studies information science internet and emerging media studies and sociology **Selfie Democracy** Elizabeth Losh, 2022-09-06 How politicians digital strategies appeal to the same fantasies of digital connection access and participation peddled by Silicon Valley Smartphones and other digital devices seem to give us a direct line to politicians But is interacting with presidential tweets really a manifestation of digital democracy In Selfie Democracy Elizabeth Losh examines the unintended consequences of politicians digital strategies from the Obama campaign s pioneering construction of an online community to Trump s Twitter dominance She finds that politicians who use digital media appeal to the same fantasies of digital connection access and participation peddled by Silicon Valley Meanwhile smartphones and social media don t enable participatory democracy so much as they incentivize citizens to perform attention getting acts of political expression Losh explores presidential rhetoric casting digital media as tools of democracy describes the conflation of gender and technology that contributed to Hillary Clinton s defeat in 2016 chronicles the Biden campaign s early digital stumbles in 2020 and recounts the TikTok campaign that may have spoiled a Trump rally She shows that although Obama and Trump may seem diametrically opposed in both style and substance they both used mobile digital media in ways that reshaped the presidency and promised a new kind of digital democracy Obama used data and digital media to connect to citizens without intermediaries Trump followed this strategy to its most extreme conclusion What were the January 6 insurrectionists doing as they livestreamed themselves and their cohorts attacking the Capitol but practicing their own brand of selfie democracy
