The Woman Who Fooled The World Beau Donnelly, Nick Toscano, 2017-11-13 Belle Gibson convinced the world she had healed herself of terminal brain cancer by eating a healthy diet. She built a global business based on her story. There was just one problem: she never had cancer in the first place. In 2015, journalists uncovered the truth behind Gibson's lies. This hero of the wellness world with over 200,000 followers, international book deals, and a best-selling mobile app was a fraud. She had lied about having cancer to her family and friends, to her business partners and publishers, and to the hundreds of thousands of people, including genuine cancer survivors who were inspired by her Instagram posts. Written by the two journalists who uncovered the details of Gibson's deception, *The Woman Who Fooled the World* tracks the 23-year-old's rise to fame and fall from grace. Told through interviews with the people who know her best, it explores the lure of alternative cancer treatments, exposes the darkness at the heart of the wellness and clean eating movements, and reveals just how easy it is to manipulate people on social media. With the idea of clean eating now routinely debunked by dietary experts and growing scepticism about the authenticity of what we read online, *The Woman Who Fooled the World* is a timely and important book that answers not just how but why Gibson was able to fool so many.

Marketing for Dentists Ehsan Zarei, You didn't become a dentist to chase patients. You didn't sign up to become a marketer, a social media manager, or a pricing negotiator. You just wanted to do great work, help people, and build a practice that gives you freedom, not frustration. But here you are. Wondering why some dentists with less skill and experience seem to be thriving. Frustrated by slow weeks, price shoppers, and no shows. Watching competitors show up at the top of Google while your name is buried. Feeling pressure to do more marketing but not knowing where to start or how to do it without feeling fake or overwhelmed. If that sounds familiar, you're not alone. The truth is, there are thousands of highly skilled, deeply caring dental professionals who are quietly struggling to grow. Not because they aren't good enough, but because they've never been taught how to communicate their value in a way that the right people notice and respond to. That's what this book is here to change. This is *Marketing for Dentists Done Right*. This isn't a book about gimmicks, dancing on TikTok, or becoming someone you're not. It's about getting crystal clear on what makes your practice valuable and learning how to show up online in a way that feels professional, authentic, and confidently positioned. It's about attracting the right patients: people who value what you offer, who trust your expertise, and who are willing to pay for quality. And it's about doing that without burning yourself out or becoming a full-time marketer. What this book will help you do: By the time you finish this book, you'll understand exactly how to build a premium professional brand that stands out in your local market. Attract high-value patients who actually show up and stick around. Create visibility without chasing trends or doing anything that feels uncomfortable. Turn your website and online presence into a patient-generating machine. Grow a practice that feels aligned with who you are, not someone else's idea of success. You'll go from unsure and invisible to confident in demand and clearly positioned as the trusted expert in your area. What's inside: This book is divided into 15 focused practical chapters. Each one tackles a key shift, strategy, or stage in building a thriving dental practice that markets

itself We ll start by laying the foundation clarifying your message brand and presence Then we ll dig into proven ways to attract high quality patients build systems that drive referrals and reviews and position you as the go to provider in your area And finally we ll look at how to think like a confident visionary leader one who runs the practice instead of being run by it Each chapter is designed to build on the last so you gain real momentum and real results And If You Want to Move Faster Also if you re looking to get a stronger start or achieve faster results with your marketing you can reach out directly to the author for one on one support Whether you re short on time or simply want expert help to get everything done for you professional assistance is available Chat with me directly for your marketing needs and get a free consultation

bluefreelancers.com/ehsan your shortcut to faster more effective results Let s Get Started You don t have to become a marketing expert You just have to be willing to show up in a new way with clarity purpose and a strategy that actually works Let s make your practice as remarkable online as it is in person Let s begin **Beautiful Living** Valerie Darden,2024-10-29
