The Producer's Business Handbook John J. Lee, Jr., Rob Holt, 2012-11-12 The Producer's Business Handbook provides a model for making a successful business of independent filmmaking. It will give you a comprehensive understanding of the business of entertainment and supply you with the information and tools you'll need to successfully engage all related aspects of global production and exploitation. The handbook also provides a global orientation to the relationships that the most successful producers have with the various participants in the motion picture industry. This includes how producers direct their relationships with domestic and foreign studios, agencies, attorneys, talent, completion guarantors, banks, and private investors. It provides a thorough orientation to operating production, development, and single purpose production companies from solicitation of literary properties through direct rights sales and the management of global distribution relationships. Also presented is an in-depth discussion of the team roles needed to operate these companies as well as how to attach and direct them. For those outside of the US, this book also includes information about how to produce successful films without government funding. This edition has been updated to include comprehensive information on the internal greenlighting process, government financing, and determining actual cost of money. It includes new simplified project evaluation tools, expediting funding and distribution. Together with its companion CD-ROM which contains valuable forms and spreadsheets, tutorials, and samples, this handbook presents both instruction and worksheet support to independent producers at all levels of experience.

The Business of Broadway Mitch Weiss, Perri Gaffney, 2015-07-14 New York's Broadway theatre scene has long been viewed as the top of the heap in the world theatre community. Taking lessons from the very best, this innovative guide delves into the business side of the renowned industry to explain just how its system functions. For anyone interested in pursuing a career on Broadway or who wants to grow a theatre in any other part of the world, *The Business of Broadway* offers an in-depth analysis of the infrastructure at the core of successful theatre. Manager/producer Mitch Weiss and actor/writer Perri Gaffney take readers behind the scenes to reveal what the audience and even the players and many producers don't know about how Broadway works, describing more than 200 jobs that become available for every show. A variety of performers, producers, managers, and others involved with the Broadway network share valuable personal experience in interviews, discussing what made a show a hit or a miss and how some of the rules, regulations, and practices that are in place today were pioneered. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater branding, fine art, photography, interior design, writing, acting, film, how to start careers, business, and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

The Business of Film Stephen

Greenwald, Paula Landry, 2022-10-27 This updated third edition introduces readers to the business of film at every stage of the filmmaking lifecycle from planning and production to financing marketing and distribution Celebrated authors Stephen R Greenwald and Paula Landry offer a practical hands on guide to the business aspects of this evolving industry exploring streaming development financing trends regional global online distribution shifting business models exhibition multi platform delivery marketing VR AR virtual production accounting and more The book is illustrated throughout with sample financing scenarios and charts graphics and includes detailed case studies from projects of different budgets and markets This new and expanded edition has been updated to reflect the new challenges facing the industry due to Covid 19 and how to navigate the new landscape of film financing and distribution Other updates include coverage of new indie films and distributors virtual production the recent impact of global markets including the biggest streamers like Netflix Apple and Amazon are how they are shaping the future of the business This is essential reading for students looking for foundational knowledge of the film industry and guidance on how to successfully adapt to constant changes in the entertainment business Extensive online support material accompanies the book including downloadable forms and templates PowerPoint slides quizzes and test banks and other additional resources
