### **Film Theory and Contemporary Hollywood**

**Movies** Warren Buckland, 2009-06-03 Film theory no longer gets top billing or plays a starring role in film studies today as critics proclaim that theory is dead and we are living in a post theory moment While theory may be out of the limelight it remains an essential key to understanding the full complexity of cinema one that should not be so easily discounted or discarded In this volume contributors explore recent popular movies through the lens of film theory beginning with industrial economic analysis before moving into a predominately aesthetic and interpretive framework The Hollywood films discussed cover a wide range from 300 to Fifty First Dates from Brokeback Mountain to Lord of the Rings from Spider Man 3 to Fahrenheit 9 11 from Saw to Raiders of the Lost Ark and much more Individual essays consider such topics as the rules that govern new blockbuster franchises the posthumanist realism of digital cinema video game adaptations increasingly restricted stylistic norms the spatial stories of social networks like YouTube the mainstreaming of queer culture and the cognitive paradox behind enjoyable viewing of traumatic events onscreen With its cast of international film scholars Film Theory and Contemporary Hollywood Movies demonstrates the remarkable contributions theory can offer to film studies and moviegoers alike

**Consequences** Mengyang Cui, 2007-09-25 In this paper I aimed to explore deeply the Hong Kong 1997 handover theme films by comparison and summary in order to discover the history and cultural meaning of this incident from a human perspective 1997 is a turning point for Hong Kong people society and the film industry The city confronted a historical turning point under an experimental one country two systems convention without precedent in history This led many Hong Kong people to lose confidence about their future In addition this historical incident brought a series of social issues to Hong Kong people such as confusion about their identity and uncertainty about the future Therefore I chose four films from two directors with different viewpoints reveal Hong Kong society and people's life and spirit Those films are Peter Chan's Comrades Almost a Love Story 1996 Golden Chicken 2000 and Fruit Chan's Made in Hong Kong 1997 The Longest Summer 1997 Also I will give a brief introduction about the aspects of the past of Hong Kong politically colonial rule economically and with respect of Hong Kong identity to understand its cinema and the possible effects of the 1997 handover

### **Gender, Nation and**

**Popular Film in India** Sikata Banerjee, 2016-12-08 Interpretations of manhood have unfolded in India within a middle class cultural milieu shaped by an assertive self confidence fuelled by liberalisation a process by which India has been integrated into the global political economy and the prominence of Hindutva or Hindu nationalist politics This book unpacks a particular gendered vision of nation in the modern Indian context by drawing on popular films This muscular nationalism is an intersection of a specific vision of masculinity with the political doctrine of nationalism The idea of nation is animated by an idea of manhood associated with martial prowess muscular strength and toughness but coupled with the image and construct of virtuous woman a gendered binary of martial man and chaste woman The author skilfully and convincingly draws together

issues of political economy including globalization and neoliberalism with majoritarian politics and popular culture thus showing how disparate strands intersect and build on each other Using interpretive methodologies and popular media the book presents new interpretations of Bollywood films through the lenses of gender masculinity and nationalism It will be of interest to scholars of South Asian politics and culture in particular Indian nationalism popular culture media and gender studies

In Theaters Everywhere Brian Hannan,2019-01-09 Conflicts among Hollywood studios and exhibitors have been going on for years At their heart are questions about how films should be released where when and at what speed Both sides of this disagreement are losers with exhibitors using the law via various Consent Decrees and studios retaliating by tightly controlling output In the Silent Era movies were not released nearly as widely as they are now This book tells the story of how the few became the many It explores the contraction of the release cycle the maximization of the marketing dollar and the democratization of consumer access It also offers a comprehensive list of wide releases and rebuts much of what previous scholars have found

*The Business of Culture* Christopher Rea,Nicolai Volland,2014-12-15 From the late nineteenth to the mid twentieth century changing technologies and growing transregional ties provided unprecedented opportunities for the entrepreneurially minded in China and Southeast Asia The Business of Culture examines the rise of Chinese cultural entrepreneurs businesspeople who risked financial well being and reputation by investing in multiple cultural enterprises in the late nineteenth and twentieth centuries Rich in biographical detail the interlinked case studies featured in this volume introduce three distinct archetypes the cultural personality the tycoon and the collective enterprise These portraits reveal how changes in social and economic conditions created the fertile soil for business success conditions that are similar to those emerging in China today
