Cyber Monday In The Us Open Now:

Buy Now Emily West, 2022-02-22 How Amazon combined branding and relationship marketing with massive distribution infrastructure to become the ultimate service brand in the digital economy Amazon is ubiquitous in our daily lives we stream movies and television on Amazon Prime Video converse with Alexa receive messages on our smartphone about the progress of our latest orders In Buy Now Emily West examines Amazon's consumer facing services to investigate how Amazon as a brand grew so quickly and inserted itself into so many aspects of our lives even as it faded into the background becoming a sort of infrastructure that can be taken for granted Amazon promotes the comfort and care of its customers but not its workers to become the ultimate service brand in the digital economy West shows how Amazon has cultivated personalized intimate relationships with consumers that normalize its outsized influence on our selves and our communities She describes the brand's focus on speedy and seamless ecommerce delivery represented in the materiality of the branded brown box the positioning of its book retailing media streaming and smart speakers as services rather than sales and the brand's image control strategies West considers why pushback against Amazon's ubiquity and market power has come mainly from among Amazon's workers rather than its customers or competitors arguing that Amazon's brand logic fragments consumers as a political bloc West's innovative account the first to examine Amazon from a critical media studies perspective offers a cautionary cultural study of bigness in today's economy [The Obesity Epidemic in North America](#) Anna

Bellisari, 2012-05-18 Obesity prevalence in North America is the highest in the developed world a situation that calls for a deeper understanding of this complex phenomenon Brief yet comprehensive The Obesity Epidemic in North America offers a much needed examination of the effects of human evolution environmental changes human variation poverty and culture An ideal supplement in nutritional anthropology or medical anthropology classes the book's rare biocultural perspective helps readers grasp the root causes of obesity As Bellisari sees it the medical and nutrition science fields are fully engaged in developing strategies to address the obesity problem It is institutions such as political and economic organizations as well as society itself that need to become more proactive in improving obesity related public health This text provides a giant first step toward that end **Strategic Retail Management and Brand Management** Doris Berger-Grabner, 2021-10-25 The
