Design Against Crime Caroline L. Davey, Andrew B. Wootton, 2017-02-17 Design Against Crime will aid the design profession to meet the challenges presented by the competing needs and complex systems around crime and security It proposes that designers should use their creative talents to develop innovative solutions to security problems that contribute to the ongoing fight against crime The authors first explain the design against crime approach to security and security They go on to provide practical advice on addressing crime and insecurity within the design process and offer practical examples of design being applied to security and safety They also examine crime victimisation from a global perspective highlighting the benefits worldwide of reducing opportunities for crime including issues of national security such as terrorism and natural disasters A design led human centred approach provides a way forward that is both aspirational and practical The book is aimed primarily at design professionals educators and students interested in safety and security from all design disciplines including product design architecture service design and communication design The book should also be read by crime prevention experts planners local authorities managers of urban environments and policymakers

ECCWS 2018 17th European Conference on Cyber Warfare and Security V2 Audun Jøsang, 2018-06-21

Disrupt You! Jay Samit, 2025-09-23 In Disrupt You Jay Samit a digital media expert who has launched grown and sold start ups and Fortune 500 companies alike describes the unique method he has used to invent new markets and expand established businesses In today s volatile business landscape adaptability and creativity are more crucial than ever It is no longer possible or even desirable to learn one set of job skills and to work your way up the ladder At the same time entrepreneurs with great ideas for new products or technologies that could change the world often struggle to capture the attention of venture capital firms and incubators finding the funding necessary to launch a start up can feel impossible The business leaders of our future must anticipate change to create their own opportunities for personal satisfaction and professional success Samit has been at the helm of businesses in the ecommerce digital video social media mobile communications and software industries helping to navigate them through turbulent economic times and guide them through necessary transformation so that they stay ahead of the curve In Disrupt You he reveals how specific strategies that help companies flourish can be applied at an individual level to help anyone can achieve success and lasting prosperity without needing to raise funds from outside investors Incorporating stories from his own experience and anecdotes from other innovators and disruptive businesses including Richard Branson Steve Jobs Elon Musk YouTube Circ du Soleil Odor Eaters

Iams Silly Putty and many more Samit shows how personal transformation can reap entrepreneurial and professional rewards Disrupt You offers clear and empowering advice for anyone looking to break through for anyone with a big idea but with no idea how to apply it and for anyone worried about being made irrelevant in an era of technological transformation This engaging perspective shifting book demystifies the mechanics of disruption for individuals and businesses alike
