Strategic Sport Communication Paul Mark Pedersen,Kimberly S. Miloch,Pamela C. Laucella,2007 This is an introduction to the wide ranging world of sport communication integral to the successful management marketing and operation of sport organisations at all levels The text outlines the full breadth of the communication industry including the many professional careers available to students and practitioners *EU Sports Law and Breakaway Leagues in Football* Katarina Pijetlovic,2015-02-02 Katarina Pijetlovic is the first author to address the issue of breakaway leagues in football and their treatment under EU law In this book she guides the reader through EU sports law the specificities of the sporting industry and the problems and power struggles in European football governance in the context of the breakaway threats by elite clubs In order to analyse the legality of UEFA clauses that restrict the formation of such breakaway structures the author first provides a progressive interpretation of the applicable EU sports law and an in depth analytical review of EU sports cases decided under internal market and competition provisions including a novel perspective on the UEFA home grown rule and the Bosman case Thereafter she sets out an original theory of convergence between TFEU provisions on competition and the internal market

in the light of sporting exceptions Finally in applying the legal principles thus outlined Katarina Pijetlovic explores the legality of the restrictive UEFA clauses and the case for the formation of alternative leagues in European football under EU sports law A number of surprising outcomes emerge from this analytical process Conversely she also tests the largely neglected issue of the legality of forming a breakaway league by the European elite football clubs The systematic way in which the reader is guided through EU sports law and the legal issues under consideration makes the book accessible for EU lawyers as well as non EU sports lawyers on both an academic and a practitioner s level Katarina Pijetlovic holds licentiate and doctoral degrees in EU sports law from the University of Helsinki The book appears in the ASSER International Sports Law Series under the editorship of Dr David McArdle Prof Ben Van Rompuy and Marco van der Harst LL M *InCider* ,1991
