Microtrends Squared Mark Penn, 2019-03-26

Ten years after his New York Times bestselling book *Microtrends* Mark Penn identifies the next wave of trends reshaping the future of business politics and culture

Mark Penn has boldly argued that the future is not shaped by society s broad forces but by quiet changes within narrow slices of the population

Ten years ago he showed how the behavior of one small group can exert an outsized influence over the whole of America with his bestselling *Microtrends* which highlighted dozens of tiny counterintuitive trends that have since come to fruition from the explosion of internet dating to the recent split within the Republican Party

Today the world is in perplexing upheaval and microtrends are more influential than ever

In this environment Penn offers a necessary perspective

Microtrends Squared makes sense of what is happening in the world today

Through fifty new microtrends Penn illuminates the shifts that are coming in the next decade

He pinpoints the unseen hand behind new power relationships that have emerged as fringe voters and reactionary politics have found their revival as online influencers overshadow traditional media and as the gig economy continues to invade new swathes of industry

He speaks to the next wave of developments coming in technology social movements and even dating

Offering a clear vision of the future of business politics and culture *Microtrends Squared* is a must read for innovators and entrepreneurs political and business leaders and for every curious reader looking to understand the wave of the future when it is just a ripple

Dark Aeon Joe Allen, 2023-08-29

Humanity Is Consumed by Relentless Transformation

Like a thief in the night artificial intelligence has inserted itself into our lives

It makes important decisions for us every day

Often we barely notice

As Joe Allen writes in this groundbreaking book *Transhumanism* is the great merger of humankind with the Machine

At this stage in history it consists of billions using smartphones

Going forward we ll be hardwiring our brains to artificial intelligence systems

The world famous robot Sophia symbolizes a rising techno religion

She takes her name from the goddess or Aeon whose fall from grace is described in the Gnostic Gospels

With an academic background in both science and theology Allen confronts the paradox

of what he calls good people constructing a digital abomination Dark Aeon is nothing less than a cri de coeur for humanity itself He takes us on a roller coaster ride through history and the emergence of Scientism and from government mandated mRNA vaccines to the weird visions of cyborg billionaires like Elon Musk From Silicon Valley to China these globalists visions of humanity s future exposed and described in Dark Aeon are dire and terrifying But Joe Allen argues that humanity s salvation is within our grasp Only if we refuse to avert our eyes from the impending twilight before us *Covid U: Business Lessons From A Pandemic* Jay Prag,Amanda Ishak Prag,2022-12-19 From every angle the world has faced unprecedented change over the past two years Academics will be dissecting the nuance of the COVID 19 Crisis for decades to come Yet for all the promises of research and data we must understand that the full impact of the pandemic from child development and college football seasons to healthcare breakthroughs and the future of the film industry will not be known for at least a generation This book focuses on the business lessons we have learned since the pandemic began in early 2020 It takes an interdisciplinary approach to examining the effects of COVID 19 on multiple aspects of business such as marketing and finance At the same time it stresses the need to consider the human element of business above all else showing that people are the most important piece of what has become a devastating and unpredictable puzzle *Boys' Life* ,2006-12 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting *The Flip Side of Free* Michael Kende,2021-03-09 Why free comes at a price the costs of free internet services in terms of privacy cybersecurity and the growing market power of technology giants The upside of the internet is free Wi Fi at Starbucks Facetime over long distances and nearly unlimited data for downloading or streaming The downside is that our data goes to companies that use it to make money our financial information is exposed to hackers and the market power of technology companies continues to increase In *The Flip Side of Free* Michael Kende shows that free internet comes at a price We re beginning to realize this Our all purpose techno caveat is I love my smart speaker but is it really tracking everything I do listening to everything I say *Mac Life* ,2007 MacLife is the ultimate magazine about all things Apple It s authoritative ahead of the curve and endlessly entertaining MacLife provides unique content that helps readers use their Macs iPhones iPods and their related hardware and software in every facet of their personal and professional lives *IGen* Jean M. Twenge,2017-08-22 Analyzes how the young people born in the mid 1990s and later significantly differ from those of previous generations examining how social media and texting may be behind today s unprecedented levels of anxiety depression and loneliness Prov de l editor **Outdoor Chronicles** Jerry Hamza,2015-11-24 We hold a great affection for the deep tradition of American storytelling The ability to spin a yarn that can hold our attention and provide a gentle direction for life is something that has been with us for a long time The Celebrated Jumping Frog of Calaveras County by Mark Twain or Ernest Hemingway s Nick Adams stories hold us with their gentle wit and carry us away for just a little while In *Outdoor Chronicles* Jerry Hamza takes up the gauntlet of the storyteller to take

readers away for a little fun There are already plenty of how to fishing and outdoor books and this is not one Hamza s stories will not make you a better caster or shooter but they will make you want to spend more time fishing or hunting This book is a collection of outdoor stories wrapped in the human condition They were written with an eye toward honesty and cynicism They will make you laugh out loud and you will want to carry them with you wherever you go If this book goes missing it s a sure thing that when you do find it it will be in the possession of a member of your household regardless of their interest in casting a fly The stories cover the gamut from a fishing trip to northern Canada to a little stream that was actually better than remembered to how the baby boomers almost trampled a sport to death to a solitary trek along railroad tracks during a cold dark and dreary February and many more Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands duck blinds bowhunting wing shooting hunting dogs and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
