Crash Course in Readers' Advisory Cynthia Orr, 2014-12-05 One of the key services librarians provide is helping readers find books they'll enjoy. This crash course will furnish you with the basic practical information you need to excel at readers advisory for adults and teens. The question can you recommend a good book can be one of the most daunting you face notwithstanding the fact that recommender tools are ubiquitous. Often uncertainty arises because although librarians are called on to perform such services daily, readers advisory is a skill set in which most have no formal training. This guide will remedy that. It is built around understanding books, reading and readers and will quickly show you how to identify reading preferences and advise patrons effectively. You'll learn about multiple RA approaches such as genre appeal, features and reading interests and about essential tools that can help with RA. Plus you'll discover tips to help you keep up with this ever-changing field. There is no other professional book that covers the full spectrum of skills needed to perform the RA service that is in such great demand in libraries of all kinds. Helping readers find what they want is a sure way to serve patrons and build your library's brand. You will come away from this easy-to-understand crash course with the solid background you need to do both.

Snatched from the jaws of captivity and sent to a safe house in the Scion Citadel of Paris, she finds herself caught between factions that seek Scion's downfall and those who would kill to protect the puppet empire. The mysterious Domino Programme has plans for Paige, but she has ambitions of her own in this new citadel. With Arcturus Mesarthim at her side, she embarks on an adventure that will lead her from the catacombs of Paris to the glittering hallways of Versailles. As Scion widens its bounds and the free world trembles in its shadow, Paige strives to understand her bond with Arcturus, which grows stronger by the day. But just as the revolution began with them, it could end with them too.

Young Adult Resources Today Don Latham, Melissa Gross, 2014-05-21 *Young Adult Resources Today: Connecting Teens with Books, Music, Games, Movies, and More* is the first comprehensive young adult library services textbook specifically written for today's multidimensional information landscape. The authors integrate a research-focused information behavior approach with a literature-focused resources approach and bring together in one volume key issues related to research theory and practice in the provision of information services to young adults. Currently, no single book addresses both YA information behaviors and information resources in any detail; instead, books tend to focus on one and give only cursory attention to the other. Key features of this revolutionary book include its success in integrating theory, research, and practice; integrating implications for practice throughout the book; integrating knowledge of resources with professional practice as informed by research; integrating both print and electronic formats throughout within the resource chapters, including websites and social media. Latham and Gross accomplish all this while paying particular attention to the socially

constructed nature of young adulthood diversity YA development and multiple literacies Their coverage of information landscapes covers literature with detailed coverage of both genres and subgenres movies magazines web sites social media and gaming The final chapter cover navigating information landscapes focusing on real and virtual YA spaces readers advisory programming and collaboration Special attention is paid to program planning and evaluation **She's Not Sorry - Du könntest die Nächste sein** Mary Kubica, 2025-07-15 Ein schrecklicher Unfall Eine schockierende Entdeckung Niemand ist sicher Als Intensivkrankenschwester hat Meghan mit schockierenden Schicksalen zu tun Als die Komapatientin Caitlin eingeliefert wird ist sie zutiefst ersch ttert Caitlin soll von einer Br cke gesprungen sein Meghan fragt sich was die junge Frau zu dieser Verzweiflungstat getrieben haben k nnte Als ein Zeuge berichtet Caitlin sei gar nicht selbst gesprungen sondern wurde von der Br cke gesto en wird es f r Meghan gef hrlich Viel zu sp t begreift sie dass sie und ihre Tochter die N chsten sein k nnten Spannend twisty atemlos Mary Kubica ist nichts f r schwache Nerven Bury Your Gays Chuck Tingle, 2024-07-09 The instant USA Today bestseller by Chuck Tingle about what it takes to succeed in a world that wants you dead Named one of the Best Horror Books of 2024 Esquire Parade and Library Journal A Locus Award Finalist Misha knows that chasing success in Hollywood can be hell But finally after years of trying to make it his big moment is here an Oscar nomination And the executives at the studio for his long running streaming series know just the thing to kick his career to the next level kill off the gay characters for the algorithm in the upcoming season finale Misha refuses but he soon realizes that he s just put a target on his back And what s worse monsters from his horror movie days are stalking him and his friends through the hills above Los Angeles Haunted by his past Misha must risk his entire future before the horrors from the silver screen find a way to bury him for good Brilliantly bloody wildly fun and extremely scary Bury Your Gays brings a sledgehammer down on tired tropes and makes a masterpiece of their guts Rachel Harrison national bestselling author of Black Sheep Also by Chuck Tingle Lucky Day Camp Damascus Straight At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *The Song Rising* Samantha Shannon, 2024-05-14 The magnificent third book in the New York Times bestselling Bone Season series takes Paige Mahoney deep into the underground of Samantha Shannon s epic world of Scion Following a fierce battle for the Rose Crown Paige Mahoney has risen to the dangerous position of Underqueen ruling over the clairvoyant syndicate of London But with vengeful enemies still at large the task of stabilizing the fractured underworld has never seemed so challenging As Paige rallies her army of criminals she continues to meet in secret with her former enemy Arcturus Mesarthim Should they be discovered the fragile alliance with the Ranthen will fail But all bets are off when Scion introduces Senshield a deadly technology that spells doom for clairvoyants Now Paige must race against the clock to stop her reign ending in blood With its intricate worldbuilding slow burn romance and complex ever evolving scrappy yet touching NPR heroine the Bone Season series shows Samantha Shannon at the height of her considerable powers The highly anticipated fifth novel in the New York Times bestselling Bone
