*Apple in China* Patrick McGee,2025-05-13 THE NEW YORK TIMES BESTSELLER Absolutely riveting Peter Frankopan author of The Silk Roads Disturbing and enlightening Chris Miller author of Chip War Hugely important Rana Foroohar author of Makers and Takers A once in a generation read Robert D Kaplan author of Waste Land As Trump wages a tariff war with China seeking to boost domestic electronics manufacturing this book offers an unparalleled insight into why his strategy is embarrassingly naive Apple isn t just a brand it s the world s most valuable company and creator of the 21st century s defining product The iPhone has revolutionized the way we live work and connect But Apple is now a victim of its own success caught in the middle of a new Cold War between two superpowers On the brink of bankruptcy in 1996 Apple adopted an outsourcing strategy By 2003 it was lured to China by the promise of affordable ubiquitous labour As the iPod and iPhone transformed Apple s fortunes their sophisticated production played a seminal role in financing training supervising and supplying Chinese manufacturers skills Beijing is now weaponizing against the West Investigative journalist Patrick McGee draws on 200 interviews with former Apple executives and engineers to reveal how Cupertino s choice to

anchor its supply chain in China has increasingly made it vulnerable to the regime's whims Both an insider's historical account and a cautionary tale Apple in China is the first history of Apple to go beyond the biographies of its top executives and set the iPhone's global domination within an increasingly fraught geopolitical context Apple Training Series Kevin M. White, 2009-12-14 Apple Training Series Mac OS X Deployment v10.6 uses a combination of task-based instruction and strong visuals to teach intermediate and advanced users how to deploy a wide range of files and systems to multiple users in a large organization Author Kevin White takes readers through the deployment of software ranging from individual files to complete systems to multiple users discussing the range of methodologies used Intermediate users will learn how to use Apple deployment tools including Disk Utility PackageMaker and Apple Software Restore Advanced users will learn how to customize deployment solutions with scripts to provide post installation configuration Throughout the book users learn how to tie all the solutions together to create fully integrated software and hardware deployment plans The Apple Training Series serves as both a self-paced learning tool and the official curriculum for the Mac OS X and Mac OS X Server certification programs

**The Power of Differentiation** Barry LaBov, 2024-06-25 If you want to make history with your brand read this book Jonathan Randall President of Mack Trucks North America Two facts to consider There are over 500 000 brands in 2 000 categories worldwide And nearly fifty million Americans left their jobs in 2021 alone Realizing all this underscores how challenging critical and rare a brand is to be valued and loved by not only its customers but its employees as well According to Barry LaBov it comes down to just one word Differentiation LaBov author of dozens of books including The Power of Differentiation is founder of LABOV Marketing Communications and Training In this book he draws on his firm's forty years of differentiating hundreds of companies in dozens of industries LaBov and team have inspired leaders to identify what makes their brand products technology and services unique and to then celebrate it first with the most important audience their employees The Power of Differentiation reveals the steps needed to uncover the magic and genius in a company's manufacturing and engineering because your brand lives inside your products and technology It shares case studies of service enterprises that separated from the pack as they focused on their customer treatment because your brand is your experience to customers It reveals the secrets to mobilizing the sales channel to represent your company as if its logo is tattooed on their heart And it focuses on the power of a brand's lexicon or language because words create worlds It's not about being perfect either as LaBov shares stories of flawed organizations that dominated their rivals And you'll learn how to build your brand while defeating the competition as they lower prices by commoditizing or homogenizing their product The Power of Differentiation is an uplifting insightful journey into discovering and celebrating what makes your brand unique
