Prehistoric Alex Wong,2023-10-24 The improbable story of the birth of modern day pro basketball in Toronto In just over 25 years the Toronto Raptors have evolved from an intrepid expansion team to an NBA champion But for all the triumphs of the past decade the beginning looked a bit different When the franchise began its first season in 1995 a pro basketball team in Toronto was viewed as an experiment There was no playbook to follow and very few people gave them a chance to succeed In Prehistoric irreverent Raptors voice and culture writer Alex Wong explores the franchise s fascinating and unconventional inception through 140 original interviews with those involved with the team s very beginning examining the process of how the team came up with their name and logo inspired by the blockbuster film Jurassic Park taking a behind the scenes look at the drafting of star point guard Damon Stoudamire telling the backstories of a group of misfits who formed the first year roster and providing an in depth look at the team s opening night victory at the SkyDome and the expansion franchise s signature win over Michael Jordan and a 72 win Chicago Bulls team The Raptors boldly and intentionally pursued a much different audience in a hockey first town The result is a team who went through the necessary growing pains and eventually captured the heart of a city as told in this essential origin story through the lens of the people who were there to help lay the foundation for a thriving modern day basketball franchise in Toronto *USA Today Index* ,1996 **Sports Marketing** Sam

first four seasons Louisville had not been able to win the great prize but its runs had given rise to great expectations His next four squads burst out of the blocks with lightning speed too When each one wheezed in late February and came to a halt in mid March however great hopes turned into great grumblings Could Crum ever win the big one Eighty three minutes and 27 seconds into the season the fifth starter Scooter McCray went out for good with a torn knee ligament His replacement was brother Rodney a freshman who had arrived in poor condition and with a poor attitude We ll be lucky to win 15 games Crum said He had never won fewer than 20 in any of his eight campaigns but no one argued with this pronouncement Yet with a rookie three sophomores and star Darrell Griffith and his 48 inch vertical leap in the lineup strange zany and enchanting things began to happen Wiley Brown was given a bionic thumb and the prosthesis not only apparently helped his rebounding but also stayed on most of the time Manchild small forward Derek Smith talked of being from Jupiter one night and snatched 15 rebounds with his Goliath sized hands the next Reserve Roger Burkman s demolition derby aggression earned him the pen name Instant Defense while sub PonchoWright s cloud tickling jumpers and jaw dropping dunks got him the Instant Offense title Rodney McCray transformed himself into an indispensable man not overnight but over the course of a few minutes when his sibling went down Above all this quite literally and figuratively was Griffith He led as an athlete by his graciousness and classy demeanor They became a team that put winning above everything Each of them would have welcomed any of the others into a foxhole The discombobulated basketball team set an impossibly high standard of bonding through diversity and adversity and promptly answered that question posed by Crum s peers Yes he could win the big one
